VANCOUVER AIRPORT AUTHORITY

NOTICE OF MOTION

*(Respondent's Motion re: Right to Conduct Examination for Discovery and
re: Adjustments to Scheduling Order)*

TAKE NOTICE that the Respondent, Vancouver Airport Authority ("VAA"), will make a motion to the Case Management Judge, at the Case Management Conference scheduled for Thursday, November 30, 2017, at 3 p.m. The estimated duration of the motion is one hour.

THIS MOTION IS FOR:

1. an Order that the Commissioner produce his representative to be examined for discovery in respect of the documents produced by the Commissioner on Friday, November 24, 2017, such discovery (and follow-on procedural steps) to be conducted in accordance with the draft Further Amended Scheduling Order attached to this Notice of Motion as Schedule "A";
2. an Order amending the Scheduling Order (as revised by the Tribunal's Order of July 21, 2017) in accordance with the draft Further Amended Scheduling Order attached to this Notice of Motion as Schedule "A";
3. in the alternative to the relief sought in paragraphs 1 and 2 above, an Order extending the deadline for the Respondent to serve documents relied upon and witness statements, and to serve and file expert reports, if any, to January 15, 2018;
4. if necessary, an order abridging the time required for service and filing of VAA's Motion Record herein; and
5. such further and other relief as the Tribunal deems just.

THE GROUNDS FOR THE MOTION ARE:

1. This proceeding was commenced by Notice of Application dated September 29, 2016.

- 3 -

2. Pleadings were exchanged in the fall of 2016, in accordance with the timelines established by the *Competition Tribunal Rules*, SOR/2008-141.
3. A Scheduling Order was issued by the Tribunal on December 20, 2016. The Scheduling Order provided that the parties were to serve affidavits of documents and were also to deliver all documents being produced on or before February 17, 2017.
4. The Commissioner delivered his affidavit of documents on or about February 15, 2017. The Commissioner's affidavit listed approximately 11,700 documents. Of those 11,700 documents, the Commissioner initially agreed to produce fewer than 2000, virtually all of which were VAA's own documents (produced to the Commissioner pursuant to the Commissioner's investigative authority and, more specifically, pursuant to a section 11 order issued July 29, 2015), or were communications between the Bureau and VAA or communications on which VAA was copied.
5. The remaining documents – numbering almost 10,000 – were withheld from production based upon an assertion of privilege. Of those 10,000, approximately 9700 were withheld from production solely on the basis of public interest privilege.
6. Approximately five weeks later, on or about March 21, 2017, the Commissioner delivered an Amended Affidavit of Documents. The Amended Affidavit reflects the Commissioner's decision to waive privilege over approximately 8500 documents.
7. Virtually all of the 8500 documents produced by the Commissioner pursuant to that March waiver of privilege comprised:

- 4 -

- (a) price lists, invoices and related documents (approximately 7700 documents);
- (b) flight schedules for various Canadian airports (approximately 150 documents); and
- (c) financial documents, including profit and loss statements and forecasts, of various in-flight caterers (approximately 600 documents).

8. The Commissioner continued to assert public interest privilege over approximately 1185 documents. Those 1185 withheld documents included every single relevant memorandum, interview note, presentation, affidavit, note, letter and virtually every relevant email in the Commissioner's possession, as set out in the following chart.

Type of Document	Approximate Number Withheld on the Basis of Public Interest Privilege	Number Produced by the Commissioner
Affidavit	13	0
Email	230	18
Interview Notes	50	0
Letters	35	0
Memoranda	45	0
Notebooks	70	0
Presentation	25	0

9. In other words, despite the fact that the Commissioner had in excess of 475 affidavits, emails, interview notes, letters, memos, notebooks and presentations, the Commissioner withheld virtually all such documents on the basis of public interest privilege.

- 5 -

10. At approximately the same time as the foregoing waiver, VAA brought a motion, heard by Gascon J. on March 22, 2017, in which it challenged the Commissioner's continued assertion of public interest privilege over the remaining 1185 documents. That motion was dismissed by order of Gascon J. dated April 24, 2017, which order is under appeal.

11. On or about April 27, 2017, the Commissioner delivered a Supplemental Affidavit of Documents in which it purported to disclose additional relevant documents that were in the Commissioner's possession, power or control "for the period 1 January 2017 through 28 February 2017". That Supplemental Affidavit of Documents listed at Schedule B an additional 3900 confidential documents that the Commissioner was producing. Similar to the documents already produced, those documents comprised:

(a) price lists, invoices and related documents; and

(b) financial documents, including profit and loss statements and forecasts, of various in-flight caterers.

12. Further production made by the Commissioner was similarly limited to financial documents.

13. Notwithstanding that further production, the Commissioner continued to withhold approximately 1185 documents on the basis of public interest privilege, including, as noted above, every relevant affidavit, interview note, letter, memo, notebook and presentation and virtually every email.

- 6 -

14. On or about April 13, 2017, the Commissioner produced a "Summary of Third Party Information". Thereafter, by Notice of Motion dated May 10, 2017, VAA brought a motion challenging the adequacy and accuracy of the Summary.

15. The Commissioner subsequently produced a re-ordered Summary. VAA's motion challenging the adequacy and accuracy of the re-ordered Summary was dismissed by Order of Mr. Justice Phelan, dated July 4, 2017.

16. VAA conducted its examination for discovery of the Commissioner's representative on August 23 and 24, 2017.

17. A subsequent motion brought by VAA to compel answers to certain questions refused on the Commissioner's examination for discovery was granted in part by Gascon J., by Reasons for Order and Order dated October 26, 2017.

18. Throughout the proceeding up to that point in time, the Commissioner continued to assert public interest privilege over the 1185 documents (and the information contained therein) referenced above.

19. On November 15, 2017, the Commissioner delivered his witness statements. They included statements provided by the following witnesses:

(a) Mark Brown, President and Chief Executive Officer of Strategic Aviation Holdings Ltd.;

(b) Jonathan Stent-Torriani, Co-Chief Executive Officer of Newrest Group Holding S.A.;

- 7 -

- (c) Geoffrey Lineham, President and co-owner of Optimum Strategies Inc.;
- (d) Ken Colangelo, President and Managing Director of Gate Gourmet Canada Inc.;
- (e) Barbara Stewart, former Senior Director, Procurement, for Air Transat A.T. Inc.;
- (f) Rhonda Bishop, Director, Inflight Services and Onboard Product of Jazz Aviation LP;
- (g) Mark MacVittie, Director, Strategic Procurement, for Air Canada; and
- (h) Colin Murphy, Director of Inflight Cabin Experience for WestJet.

20. Certain exhibits were attached to the various witness statements. The total number of documents attached to the witness statements as exhibits was approximately 100.

21. Following receipt and initial review of the witness statements, VAA wrote to the Commissioner and noted that the Commissioner had failed to produce all relevant documents relating to the testimony contained in the various witness statements.

22. The Commissioner responded on November 20, 2017, stating that he “continues to assert public interest privilege over those records so designated in his Affidavits of Documents, and over which he has not already expressly waived such privilege”. The Commissioner went on to “invite” VAA to bring a motion to “pierce” the privilege, if it believed that it had “evidence of a compelling competing interest”.

23. VAA then asked the Commissioner to clarify whether he was taking the position that all relevant documents relating to the various witnesses’ testimony had already been produced, or

- 8 -

whether he was taking the position that he was not obliged to produce all relevant documents relating to the various witnesses' testimony.

24. The next day, on November 21, 2017, the Commissioner advised that "upon further consideration of the particular circumstances of this case, and in the interest of expeditiously bringing this matter to trial in accordance with the Scheduling Order", the Commissioner was waiving privilege over "relevant documents relating to the testimony of the various witnesses". No indication was provided by the Commissioner at that time as to how many documents would be produced, or as to the nature of the documents to be produced, or as to their length.

25. Moreover, no indication was given by the Commissioner as to why the waiver had not been effected at an earlier date. The privilege should not be used in order to gain a tactical advantage in the litigation, as that would be fundamentally incompatible with the role of the Commissioner's counsel, which is not to seek a "victory" in the litigation, but rather to act in accordance with the public interest, working to achieve a fundamentally fair and properly informed proceeding before the Tribunal, so as to best ensure that justice is done.

26. Ultimately, well over 1000 relevant documents were produced on November 24, 2017, with the total number of pages produced running well into the tens of thousands.

27. In addition to being voluminous, the documents are highly probative and highly material to the matters in issue in the proceeding.

- 9 -

28. The documents produced include:

- 210 emails;
- 35 letters;
- 14 memoranda;
- 33 notebooks;
- 20 interview notes; and
- 9 presentations.

29. Included in the documents produced are notes of lengthy interviews conducted with many of the witnesses in respect of whom the Commissioner has delivered witness statements. Most of the notes are handwritten. Many are difficult to decipher and call out for explanation, including in respect of notations made therein that appear to be inconsistent with other parts of the notes or that appear to contradict assertions contained in the witness statements.

30. Pursuant to the *Competition Tribunal Rules* and having regard to subsection 9(2) of the *Competition Tribunal Act* and the fundamental principles of procedural fairness, VAA is entitled to conduct an examination for discovery in respect of these recently produced documents. A refusal of VAA's right to conduct such an examination for discovery, in circumstances such as the present case, where an exceptionally large volume of significant, probative and highly material documents were produced by the Commissioner at this very late stage, would seriously undermine VAA's ability to prepare its responding case, thereby prejudicing VAA and rendering the proceeding fundamentally unfair.

31. Moreover, the rules of procedural fairness and the interests of justice require that VAA be given a reasonable amount of time to review the documents and to prepare for and conduct such an examination for discovery. The refusal of such a reasonable period of time to review

- 10 -

the documents and to prepare for and conduct an examination for discovery would frustrate VAA's attempt to exercise such a discovery right.

32. However, reviewing the documents, as well as preparing for and conducting an examination for discovery in respect of the recently produced documents cannot reasonably (or fairly) be completed within the time remaining before the trial is scheduled to begin on January 29, 2018, particularly in light of the other pre-trial steps that would also need to occur in that period.

33. Accordingly, the interests of justice as well as the duty of fairness and VAA's right to make full answer and defence require that the trial be adjourned and that the schedule for the remaining pre-hearing steps be adjusted in accordance with the proposed Further Amended Scheduling Order, attached as Schedule "A".

34. In the alternative, should the Tribunal decline to order that the Commissioner produce his representative to be examined for discovery, then fairness and the interests of justice require that the deadline for VAA to serve a list of documents relied upon and witness statements, and to serve and file expert reports be extended until January 15, 2018, in order to allow a reasonable time for VAA (including not only VAA's counsel, but also the involved client representatives and any experts that may have been retained by VAA) to review the documents and consider the manner in which the documents and their contents may affect VAA's case in chief as well as its broader trial strategy. Such an order is required in order to ensure that justice and fairness are not subordinated to expedition.

35. Rules 5, 60 and 64 of the *Competition Tribunal Rules*, SOR/2008-141, as amended.

- 11 -

36. Subsection 9(2) of the *Competition Tribunal Act*. R.S.C. 1985, c. 19, as amended.
37. Such further and other grounds as counsel may advise.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

- (a) the affidavit of Monique Allen, sworn November 29, 2017;
- (b) the pleadings and proceedings herein; and
- (c) such further and other evidence as counsel may advise and the Tribunal may permit.

VANCOUVER AIRPORT AUTHORITY

**AMENDED AFFIDAVIT OF DOCUMENTS OF THE
COMMISSIONER OF COMPETITION
AFFIRMED 21 MARCH 2017**

I, **KEVIN RUSHTON**, of the Town of Carleton Place, in the Province of Ontario, solemnly affirm that:

1. I am Acting Major Case Director and Strategic Policy Advisor with the Competition Bureau. I am an authorized representative of the Commissioner of Competition (the "**Commissioner**") for the purpose of this affidavit.
2. I have participated in and overseen a review of the Commissioner's potentially relevant records and have made appropriate inquiries of others to inform myself in order to make this affidavit.
3. On 15 February 2017, the Affidavit of Documents of the Commissioner of Competition affirmed 14 February 2017 (the "**Commissioner's Affidavit**") was served on the Respondent, Vancouver Airport Authority.
4. Paragraph 7 of the Commissioner's Affidavit stated that at the time the Commissioner's Affidavit was affirmed, a confidentiality or protective order had not been put in place by the Competition Tribunal in respect of this Application, and that, as such, certain records that the Commissioner may otherwise have listed in Schedule B to the Commissioner's Affidavit were instead listed in Schedule C to the Commissioner's Affidavit. Schedule B to the Commissioner's Affidavit listed confidential but non-privileged records or records over which privilege has been waived, while Schedule C to the Commissioner's Affidavit listed confidential and privileged records.
5. Paragraph 7 of the Commissioner's Affidavit also stated that at such time as the Competition Tribunal has put in place a confidentiality order in respect of this Application, the Commissioner may provide a supplemental Affidavit of Documents that may de-list certain records

from Schedule C to the Commissioner's Affidavit and list those records in Schedule B to the Commissioner's Affidavit.

6. On 20 March 2017, the Competition Tribunal issued a confidentiality order in respect of the Application. The Commissioner has therefore elected to waive privilege for the purpose of this Application over 8,513 of the records that were listed in Schedule C to the Commissioner's Affidavit.
7. Accordingly, I have attached to this affidavit **Schedule B – AMENDED**, which contains an amended list of those relevant records that were in the Commissioner's possession, power or control that contain confidential information and for which no privilege is claimed or for which the Commissioner waives privilege for the purpose of this Application. Records highlighted in yellow in Schedule B – AMENDED were previously included in Schedule C to the Commissioner's Affidavit.
8. Certain records in Schedule B – AMENDED were previously designated as "Confidential – Level A", but have been re-designated as "Confidential – Level B". For ease of reference, these records have been highlighted in green.
9. In addition, I have attached to this affidavit **Schedule C – AMENDED**, which contains an amended list of those relevant records that were in the Commissioner's possession, power or control that contain confidential information and for which, at this time, privilege is claimed by the Commissioner, including the grounds for each such claim. For ease of reference, I have also attached **Schedule C – REDLINE**, which highlights in yellow those records that were previously included in Schedule C to the Commissioner's Affidavit but which have been

removed from Schedule C – AMENDED because such records are now listed in Schedule B – AMENDED.

Jonathan,

Further to the email that I just sent a moment ago and in respect of our review of the witness statements that you delivered on Wednesday, it would appear that, contrary to the legal requirements as set out in the jurisprudence, you have not produced all relevant documents relating to the various witnesses' testimony. Could you please do so immediately.

Julie:

Thanks for your e-mail. The Commissioner continues to assert public interest privilege over those records so designated in his Affidavits of Documents, and over which he has not already expressly waived such privilege. To the extent VAA now believes it has evidence of a compelling competing interest that would warrant piercing the privilege, we invite you to bring such a motion to the Tribunal. Please note that in the event such a motion is brought, we will request that it be heard by a judicial member not sitting on the case (in the event it becomes necessary that a judge review one or more documents over which the Commissioner continues to assert public interest privilege).

Jonathan

Subject: Re: VAA -- Commissioner's Case in Chief

Julie:

Further to our email yesterday, upon further consideration of the particular circumstances of this case, and in the interest of expeditiously bringing this matter to trial in accordance with the Scheduling Order, the Commissioner is prepared to waive privilege over relevant documents relating to the testimony of the various witnesses (the "Records") to facilitate your cross examination of the witnesses. To be clear, in doing so, the Commissioner does not consider or agree that such a waiver derogates in any way from the public interest privilege claimed by the Commissioner over sources other than the witnesses.

Records will be produced to VAA in two tranches:

1. Hopefully, by the end of this week, we will produce to you Records that have been listed in the Commissioner's affidavits of documents, the most recent affidavit having been affirmed 29 September 2017 and listing records in the Commissioner's possession, power or control up to and including 31 August 2017; and
2. Within the next two weeks, we will produce to you Records that came into the Commissioner's possession, power or control after 31 August 2017.

To expedite this process, Records produced by the Commissioner will initially be designated as Confidential – Level A. We will work diligently to provide a final confidentiality designation of these records once we have completed their production to you.

Jonathan

Jonathan,

Further to the email that I just sent a moment ago and in respect of our review of the witness statements that you delivered on Wednesday, it would appear that, contrary to the legal requirements as set out in the jurisprudence, you have not produced all relevant documents relating to the various witnesses' testimony. Could you please do so immediately.

I am about to walk over a USB key that contains the native files for second tranche – they are the native versions of the records already attached to the witnesses statements that were provided November 15th. We are having difficulties producing the load file for these records. We intend to send the load file along on Monday. Attached is a list of the records along with the confidentiality designations for the records. The designations have not changed from what was provided on November 15th. The password for the USB is Competition42.

Julie:

Further to our email yesterday, upon further consideration of the particular circumstances of this case, and in the interest of expeditiously bringing this matter to trial in accordance with the Scheduling Order, the Commissioner is prepared to waive privilege over relevant documents relating to the testimony of the various witnesses (the "Records") to facilitate your cross examination of the witnesses. To be clear, in doing so, the Commissioner does not consider or agree that such a waiver derogates in any way from the public interest privilege claimed by the Commissioner over sources other than the witnesses.

Records will be produced to VAA in two tranches:

1. Hopefully, by the end of this week, we will produce to you Records that have been listed in the Commissioner's affidavits of documents, the most recent affidavit having been affirmed 29 September 2017 and listing records in the Commissioner's possession, power or control up to and including 31 August 2017; and
2. Within the next two weeks, we will produce to you Records that came into the Commissioner's possession, power or control after 31 August 2017.

To expedite this process, Records produced by the Commissioner will initially be designated as Confidential – Level A. We will work diligently to provide a final confidentiality designation of these records once we have completed their production to you.

Jonathan

- (b) are taking the position that the Commissioner is not obliged to produce all relevant documents relating to the various witnesses' testimony.

Julie:

Thanks for your e-mail. The Commissioner continues to assert public interest privilege over those records so designated in his Affidavits of Documents, and over which he has not already expressly waived such privilege. To the extent VAA now believes it has evidence of a compelling competing interest that would warrant piercing the privilege, we invite you to bring such a motion to the Tribunal. Please note that in the event such a motion is brought, we will request that it be heard by a judicial member not sitting on the case (in the event it becomes necessary that a judge review one or more documents over which the Commissioner continues to assert public interest privilege).

Competition Tribunal

Tribunal de la concurrence

Date: November 24, 2017

Subject: CT-2016-015 - *Commissioner of Competition v
Vancouver Airport Authority*

Direction to Counsel (from Mr. Justice Gascon, Chairperson)

Further to the Case Management Conference (“CMC”) held on November 23, 2017 to discuss the Commissioner of Competition’s alleged non-compliance with his disclosure obligations pursuant to the Scheduling and Confidentiality Orders in this matter, and considering the subsequent November 23, 2017 emails received from both parties regarding their availabilities for a further CMC as well as the Commissioner’s additional records to be produced to Vancouver Airport Authority (“VAA”), the Tribunal directs as follows:

1. The Tribunal confirms that, as of November 24, 2017, the Commissioner will have provided to VAA’s counsel a USB key containing 1,011 records that were in the Commissioner’s power or control as of August 31, 2017, over which the Commissioner had claimed public interest privilege and for which that privilege has now been waived by the Commissioner (“Tranche 1 Records”);
2. The Commissioner will, by 4:00 p.m. on November 29, 2017, provide the confidentiality designation (i.e., Confidential Level A or Confidential Level B) of the Tranche 1 Records;
3. The Tribunal confirms that, as of November 15, 2017, the Commissioner has produced to VAA, as attachments to the Commissioner’s witness statements, 104 records that were produced to the Commissioner after August 31, 2017, over which the Commissioner had claimed public interest privilege and for which that privilege has now been waived by the Commissioner (“Tranche 2 Records”). The confidentiality designation (i.e., Confidential Level A or Confidential Level B) of the Tranche 2 Records has already been provided by the Commissioner;
4. A CMC will take place on Thursday, November 30, 2017 at 3:00 p.m. (Ottawa time) to discuss potential amendments to the timetable for the steps remaining in the July 21, 2017 Scheduling Order, following the above-noted additional disclosures made by the Commissioner;
5. Each party shall provide to the Tribunal, by 4:00 p.m. on November 29, 2017, the amendments, if any, that they propose to make to the existing schedule for the disposition of the application, bearing in mind that the hearing is scheduled to commence on January 29, 2017, that the Tranche 1 Records will have been provided by the Commissioner nine (9) days after November 15, 2017, with the confidentiality designation of such records being specified five (5) days later, and that every effort shall be made to keep the current hearing dates.

The Tribunal further directs the Commissioner to inform the Tribunal, by 4:00 p.m. on November 29, 2017, on:

1. the total number of records that, as of November 24, 2017, will have been produced and/or attached to the Commissioner's witness statements served on VAA (including the Tranche 1 Records);
2. out of the total in item 1, the total number of records that were initially classified as records over which the Commissioner claimed public interest privilege prior to serving his witness statements and for which that privilege has now been waived;
3. the total number of records that, as of November 24, 2017, remain classified as records over which the Commissioner still claims public interest privilege and which have therefore not been produced to VAA.

The Tribunal makes the following additional observations:

1. Throughout this matter, the various Scheduling Orders issued by the Tribunal have reflected the agreement of the parties to a tight timetable for pre-hearing disclosure, reflective of the delays provided in the Competition Tribunal Rules, including in particular the service of the parties' respective documents relied upon and witness statements;
2. In its April 24, 2017 decision on public interest privilege (*The Commissioner of Competition v Vancouver Airport Authority*, 2017 Comp Trib 6 ("**VAA Privilege Decision**"), the Tribunal specified the following at paragraph 86: "[...] A third safeguard mechanism is the fact that, if a third party is to testify at the hearing and if the Commissioner is to rely on his or her evidence, a full witness statement and all relevant documents relating to the testimony are to be provided by the Commissioner to the respondent before the hearing (*Superior Propane* at para 8; *TREB* at para 7; *Direct Energy* at para 15). In other words, no claims of public interest privilege will be maintained on documents relied on by the Commissioner to support his case" [emphasis added];
3. Additionally, at paragraph 176 of the VAA Privilege Decision, the Tribunal further stated: "If the Commissioner intends to rely upon information before the Tribunal that is protected by public interest privilege and to have the Tribunal consider it, the privilege will need to be waived on such relevant information, and full witness statements will need to be provided for the witnesses testifying at the hearing. Before the hearing of the Commissioner's Application, VAA will have copies of all documents on which the Commissioner intends to rely" [emphasis added];
4. Furthermore, in its October 26, 2017 decision on refusals (*The Commissioner of Competition v Vancouver Airport Authority*, 2017 Comp Trib 16 ("**VAA Refusals Decision**"), the Tribunal further said at paragraph 86: "[...] the third safeguard mechanism will require the Commissioner to waive his public interest privilege on relevant documents and communications from witnesses providing will-say statements, if he wants to rely on that information. [...]" [emphasis added]. However, the Tribunal further clarified the point by adding, at paragraph 87 of the VAA Refusals Decision: "[...] I should not be taken to have determined that, in order to comply with his

obligations at the witness statements stage, the Commissioner could simply waive his privilege claims over those documents and communications he will actually *rely on* in his materials, as opposed to all documents and communications related to the witness(es) for whom the privilege is waived. This is a fact based matter that the Tribunal will address as needed. I would however mention that, depending on the circumstances, considerations of fairness could well require that the privilege be waived on all relevant information provided by a witness appearing on behalf of the Commissioner, both helpful and unhelpful to the Commissioner, even if some of the information has not been relied on by the Commissioner (*Direct Energy* at para 16). [...]” [emphasis added];

5. In light of these two decisions, the Tribunal considers that, when the Commissioner served his witness statements to VAA on November 15, 2017, he was required to provide *all relevant documents he intended to rely upon and to waive his public interest privilege on such documents*, if any, which he did. The Commissioner *could* also be required, depending on the circumstances, to waive his public interest privilege on *all relevant information* provided by a witness appearing on his behalf, both helpful and unhelpful to the Commissioner, even if some of this information had not been relied on by the Commissioner. It was up to VAA to raise this issue with the Commissioner and the Tribunal if VAA believed that the Commissioner did not comply with his obligations when he served his materials, which VAA did through correspondence with the Commissioner and through its request to the Tribunal for the November 23, 2017 CMC. The Tribunal adds that, in view of the comments it made at paragraph 87 of the VAA Refusals Decision, it could reasonably have been anticipated that such a request for *all relevant documents* would be forthcoming from VAA.
6. The Tribunal understands that, by providing the Tranche 1 Records, the Commissioner has now effectively waived his public interest privilege on all relevant information provided by witnesses appearing on his behalf, both helpful and unhelpful to the Commissioner, including information not relied on by the Commissioner. There is therefore no need for the Tribunal to determine whether, on the facts of this case, considerations of fairness would have required it to order that the privilege be waived on all relevant information provided by a witness appearing on behalf of the Commissioner.
