**COMMISSIONER OF COMPETITION'S RESPONSE TO
RESPONDENT'S NOTICE OF MOTION**

PART I. GROUNDS ON WHICH THE MOTION IS OPPOSED

1. The Commissioner of Competition (the "**Commissioner**") has fully complied with his discovery obligations and submits that Vancouver Airport Authority's ("**VAA**") motion be denied, with costs.
2. VAA moves to compel the Commissioner to answer 55 questions that either have been properly refused or sufficiently answered. These questions can be classified into the following categories:
 - a. Questions seeking 'all facts that the Commissioner knows that relate to' an issue in dispute 'including references to bullets in the Reordered Summary of Third Party Information... as well as references to specific records in the documentary production' including facts that may be provided through witness statements in the future (the "**Stock Advisements**");
 - b. Questions seeking third party information that is subject to public interest privilege; and
 - c. Miscellaneous questions.
3. With respect to the Stock Advisements, the Commissioner has confirmed that he has provided VAA with all relevant facts related to each of the issues referenced in the Stock Advisements. Accordingly, VAA, through its motion, seeks an order compelling the Commissioner to issue code (i.e., organize by issue/topic) its productions and Reordered Summary (defined below) for VAA's convenience. This relief sought is unreasonable and unprecedented in contested proceedings before the Competition Tribunal and before the civil courts.

The Stock Advisements are not appropriate discovery questions

4. For each Stock Advisement, the Commissioner was asked to (i) identify all produced documents relevant to that issue; (ii) identify every bullet in the third party summary relevant to that issue (collectively, "**Issue Code**"); and (iii) identify any additional information that has not been produced that is relevant to that issue.
5. The Commissioner has answered part (iii) of every Stock Advisement. In answering part (iii), the Commissioner has confirmed that he has provided VAA with all relevant facts, good and bad, related to each of the issues referenced in the Stock Advisement.
6. This has been done either through production of all relevant documents not protected by public interest privilege or the provision of the reordered third party summary of information dated June 6, 2017 (the "**Reordered Summary**"), which summarizes information and documents provided by third parties. What has been withheld in the Reordered Summary is information that would reveal the source of the provider which is protected by public interest privilege.
7. The Commissioner heads the Competition Bureau, an independent law enforcement agency responsible for the administration and enforcement of the *Competition Act* (the "**Act**"). The Commissioner, through the Competition Bureau, investigates potential contraventions of the Act, among other things. The Commissioner is not a market participant himself. Accordingly, by providing the relevant documents and the Reordered Summary, the Commissioner has produced to VAA all of the relevant facts that have been gathered during the investigation that are not protected by privilege.
8. The Commissioner has properly refused to Issue Code his productions and Reordered Summary (parts (i) and (ii) of the Stock Advisement).

VAA could itself Issue Code the productions and Reordered Summary, as is customarily done by all parties in contested litigation. A request for a party to Issue Code productions and information produced in a contested proceeding for the adverse party is not only an improper discovery question but would, if ordered, be an unprecedented expansion of a party's discovery obligations in contested proceedings before the Competition Tribunal and the civil courts.

9. In any event, VAA's request that the Commissioner Issue Code his productions and Reordered Summary is disproportionately burdensome on the Commissioner and contrary to the expeditious conduct of this application as the circumstances and considerations of fairness permit.
10. Further, the witness statements being prepared by the Commissioner are subject to litigation privilege in addition to being protected by public interest privilege. Any relevant facts that the Commissioner has learned from third parties have already been provided in the productions or the Reordered Summary. In accordance with the Scheduling Order, the Commissioner will serve his witness statements on November 15, 2017.

VAA inappropriately seeks information that is protected by public interest privilege

11. VAA seeks answers to a number of questions that would reveal information that is protected by public interest privilege.
12. VAA appears to misunderstand how public interest privilege, a class-based privilege, functions, or simply seeks to circumvent the privilege, along with the decision of Justice Gascon in his Reasons for Order and Order dated April 24, 2017, which is currently under appeal.

Miscellaneous Questions

13. In addition to these general categories, the Commissioner relies on his specific response to questions at issue to be filed with the Commissioner's memorandum of fact and law.
14. Such further and other grounds as counsel may advise.

PART II. EVIDENCE TO BE USED AT THE HEARING

15. The following documentary evidence will be used at the hearing on the motion:
 - a. The affidavit of Alicia Foster, dated October 5, 2017; and
 - b. Such further and other grounds as counsel may advise.

AFFIDAVIT OF ALICIA FOSTER
Affirmed 5 October 2017

I, **ALICIA FOSTER**, of the City of Ottawa, in the Province of Ontario, solemnly affirm that:

1. I am Acting Senior Competition Law Officer with the Competition Bureau (the "**Bureau**"). I have personal knowledge of the matters to which I affirm, as I have been a member of the case team for this matter since October 2014.
2. On 29 September 2016, the Commissioner of Competition (the "**Commissioner**") applied to the Competition Tribunal seeking to remedy the abuse of a dominant market position by Vancouver Airport Authority ("**VAA**") in excluding and denying the benefits of competition to the in-flight catering marketplace at Vancouver International Airport (the "**Application**").
3. The Commissioner produced affidavits of documents, as described below in paragraphs 4 to 8, pursuant to the scheduling order of Justice Gascon dated 20 December 2016, and as amended by further orders dated 13 February 2017, 16 February 2017, and 21 July 2017, as well as pursuant to his ongoing disclosure obligation.
4. On 15 February 2017, the Commissioner served VAA with his Affidavit of Documents, affirmed 14 February 2017 (the "**Original AOD**"). Schedule A¹ to the Original AOD lists 146 records and Schedule B² lists 1,619 records, all of which were produced to VAA. Schedule C³ to the Original AOD lists 9,906 records, which were not produced to VAA. Attached and marked hereto as **Exhibit 1** is the Original AOD.

¹ Schedule A to the Original AOD, as well as all subsequent affidavits of documents of the Commissioner in relation to this Application, includes relevant records that are in the Commissioner's possession, power or control that do not contain confidential information.

² Schedule B to the Original AOD, as well as all subsequent affidavits of documents of the Commissioner in relation to this Application, includes relevant records that are in the Commissioner's possession, power or control that contain confidential information and for which no privilege is claimed or for which the Commissioner waives privilege.

³ Schedule C to the Original AOD, as well as all subsequent affidavits of documents of the Commissioner in relation to this Application, includes relevant records that are in the Commissioner's possession, power or control that contain confidential information and for which, at this time, one or more types of privilege are claimed.

5. On 22 March 2017, the Commissioner served VAA with his Amended Affidavit of Documents, affirmed 21 March 2017 (the “**Amended AOD**”), which does not list any new records. Rather, the Commissioner waived privilege over 8,513 records listed in Schedule C to the Original AOD. In the Amended AOD, these 8,513 records are listed in Schedule B and were produced to VAA. In total, Schedule B of the Amended AOD lists 10,132 records (including those records listed in Schedule B to the Original AOD). Schedule C to the Amended AOD lists 1,393 records, which were not produced to VAA. Attached and marked hereto as **Exhibit 2** is the Amended AOD.
6. On 28 April 2017, the Commissioner served VAA with his Supplemental Affidavit of Documents No. 1, affirmed 27 April 2017 (the “**First Supplemental AOD**”). The First Supplemental AOD does not contain a Schedule A. Schedule B to the First Supplemental AOD lists 3,892 records, which were produced to VAA. Schedule C to the First Supplemental AOD lists 66 records, which were not produced to VAA. Attached and marked hereto as **Exhibit 3** is the First Supplemental AOD.
7. On 12 July 2017, the Commissioner served VAA with his Supplemental Affidavit of Documents No. 2, affirmed on the same date (the “**Second Supplemental AOD**”). Schedule A to the Second Supplemental AOD lists 5 records and Schedule B lists 208 records, all of which were produced to VAA. Schedule C to the Second Supplemental AOD lists 123 records, which were not produced to VAA. Attached and marked hereto as **Exhibit 4** is the Second Supplemental AOD.
8. On 29 September 2017, the Commissioner served VAA with his Supplemental Affidavit of Documents No. 3, affirmed on the same date (the “**Third Supplemental AOD**”). Schedule A to the Third Supplemental AOD lists 13 records and Schedule B lists 2 records, all of which were produced to VAA. Schedule C to the Third Supplemental AOD lists 122 records, which were not produced to VAA. Attached and marked hereto as **Exhibit 5** is the Third Supplemental AOD.
9. To date, the Commissioner has produced to VAA 164 records listed in Schedules A to the affidavits of documents referenced above in paragraphs 4 to 8. The

Commissioner has also produced 14,234 records listed in Schedules B to the affidavits of documents referenced above in paragraphs 4 to 8. Therefore, the Commissioner has produced to VAA 14,398 records with respect to the Application (the “**Produced Records**”).

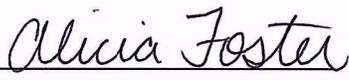

10. Of the Produced Records, 11,621, or 81 percent, are records that can be characterized as in-flight caterer pricing data. These records are nearly all invoices (either in pdf or Microsoft Excel format), invoicing databases and price lists.
11. In addition, of the Produced Records, 1,277 records were provided to the Bureau by VAA itself, either in response to an order issued pursuant to section 11 of the *Competition Act*, or voluntarily. These records were subsequently re-produced by the Commissioner to VAA in his affidavits of documents. The Produced Records also include 342 records that are email correspondence between VAA (including VAA’s counsel) and the Bureau relevant to the Application.
12. Excluding records of the type described in paragraphs 10 and 11 above, the Bureau has produced to VAA 1,158 records.

AFFIRMED BEFORE ME at the City of Gatineau in the Province of Québec this 5th day of October 2017.

**AFFIDAVIT OF DOCUMENTS OF THE COMMISSONER OF COMPETITION
AFFIRMED 14 FEBRUARY 2017**

I, **KEVIN RUSHTON**, of the Town of Carleton Place, in the Province of Ontario, solemnly affirm that:

1. I am Acting Major Case Director and Strategic Policy Advisor with the Competition Bureau. I am an authorized representative of the Commissioner of Competition (the "**Commissioner**") for the purpose of this affidavit.
2. I have participated in and overseen a review of the Commissioner's potentially relevant records and have made appropriate inquiries of others to inform myself in order to make this affidavit.
3. This affidavit discloses, to the full extent of my knowledge, information and belief, all of the records relevant to matters in issue in this Application that are in the possession, power or control of the Commissioner as at 31 December 2016. As of that same date, the Commissioner has never had in his possession, power or control any records relevant to any matter in issue in this Application that were or are no longer in the possession, power or control of the Commissioner.
4. I have listed and described in **Schedule A** to this affidavit the relevant records that are in the Commissioner's possession, power or control that do not contain confidential information.
5. I have listed and described in **Schedule B** to this affidavit the relevant records that are in the Commissioner's possession, power or control that contain confidential information and for which no privilege is claimed or for which the Commissioner waives privilege for the purpose of this Application.
6. I have listed and described in **Schedule C** to this affidavit the relevant records that are in the Commissioner's possession, power or control that contain confidential information and for which, at this time, privilege is

claimed by the Commissioner, including the grounds for each such claim.

7. As at the date I affirm this affidavit, a confidentiality or protective order has not been put in place by the Competition Tribunal in respect of this Application. As such, certain records that the Commissioner may otherwise have listed in Schedule B have instead been listed in Schedule C. At such time as the Competition Tribunal has put in place a confidentiality or protective order in respect of this Application, the Commissioner may provide a supplemental Affidavit of Documents that may de-list certain records from Schedule C and list those records in Schedule B.
8. Notwithstanding paragraph 7 of this affidavit, I will continue to oversee the review of any potentially relevant records that the Commissioner has come to possess after 31 December 2016 and provide one or more supplemental affidavits of documents as appropriate.

AFFIRMED 21 MARCH 2017**

I, **KEVIN RUSHTON**, of the Town of Carleton Place, in the Province of Ontario, solemnly affirm that:

1. I am Acting Major Case Director and Strategic Policy Advisor with the Competition Bureau. I am an authorized representative of the Commissioner of Competition (the “**Commissioner**”) for the purpose of this affidavit.
2. I have participated in and overseen a review of the Commissioner’s potentially relevant records and have made appropriate inquiries of others to inform myself in order to make this affidavit.
3. On 15 February 2017, the Affidavit of Documents of the Commissioner of Competition affirmed 14 February 2017 (the “**Commissioner’s Affidavit**”) was served on the Respondent, Vancouver Airport Authority.
4. Paragraph 7 of the Commissioner’s Affidavit stated that at the time the Commissioner’s Affidavit was affirmed, a confidentiality or protective order had not been put in place by the Competition Tribunal in respect of this Application, and that, as such, certain records that the Commissioner may otherwise have listed in Schedule B to the Commissioner’s Affidavit were instead listed in Schedule C to the Commissioner’s Affidavit. Schedule B to the Commissioner’s Affidavit listed confidential but non-privileged records or records over which privilege has been waived, while Schedule C to the Commissioner’s Affidavit listed confidential and privileged records.
5. Paragraph 7 of the Commissioner’s Affidavit also stated that at such time as the Competition Tribunal has put in place a confidentiality order in respect of this Application, the Commissioner may provide a supplemental Affidavit of Documents that may de-list certain records

from Schedule C to the Commissioner's Affidavit and list those records in Schedule B to the Commissioner's Affidavit.

6. On 20 March 2017, the Competition Tribunal issued a confidentiality order in respect of the Application. The Commissioner has therefore elected to waive privilege for the purpose of this Application over 8,513 of the records that were listed in Schedule C to the Commissioner's Affidavit.
7. Accordingly, I have attached to this affidavit **Schedule B – AMENDED**, which contains an amended list of those relevant records that were in the Commissioner's possession, power or control that contain confidential information and for which no privilege is claimed or for which the Commissioner waives privilege for the purpose of this Application. Records highlighted in yellow in Schedule B – AMENDED were previously included in Schedule C to the Commissioner's Affidavit.
8. Certain records in Schedule B – AMENDED were previously designated as "Confidential – Level A", but have been re-designated as "Confidential – Level B". For ease of reference, these records have been highlighted in green.
9. In addition, I have attached to this affidavit **Schedule C – AMENDED**, which contains an amended list of those relevant records that were in the Commissioner's possession, power or control that contain confidential information and for which, at this time, privilege is claimed by the Commissioner, including the grounds for each such claim. For ease of reference, I have also attached **Schedule C – REDLINE**, which highlights in yellow those records that were previously included in Schedule C to the Commissioner's Affidavit but which have been

removed from Schedule C – AMENDED because such records are now listed in Schedule B – AMENDED.

AFFIRMED BEFORE ME at the City of Gatineau in the Province of Québec this 21st day of March 2017.
