Dear Sir,

Subject: - The Commissioner of Competition v. Akzo Nobel N.V.
- CT-2007-010
- Application pursuant to s.106 of the *Competition Act*

Would you kindly bring this letter to the attention of Madam Justice Simpson.

Facts

On December 14, 2007 and pursuant to s.105 of the *Competition Act*, the Commissioner of Competition ("Commissioner") and Akzo Nobel N.V. ("Akzo") filed a Consent Agreement with the Tribunal. A copy of the Consent Agreement is attached at Annex "A".

This Consent Agreement is in relation to the acquisition by Akzo Nobel N.V. of Imperial Chemical Industries PLC. The Commissioner has concluded that this acquisition is likely to result in a substantial lessening and/or prevention of

competition in the wholesale (upstream) supply of Decorative Coatings in Quebec. To resolve these competition issues, the Consent Agreement provides that Akzo must divest its rights, titles and interests in certain assets.

Some of the assets at issue are those owned by Sico Inc. which is one of Akzo's wholly owned subsidiary. In particular, the assets include the Etobicoke production facility located in Toronto.

On June 13, 2008, Akzo entered into an agreement to sell to General Paint Corp. ("General Paint") the assets referred to in the Consent Agreement, excluding the Etobicoke production facility. The Commissioner has given her approval to this transaction. The information about the Akzo – General Paint's transaction and the Commissioner's consent are confirmed in a document titled "*Amendment to Consent Agreement in Relation to the Acquisition by Akzo Nobel N.V. of Imperial Chemical Industries PLC*" dated June 27, 2008 and signed by Akzo and the Commissioner. A copy of the document is attached as Annex "B".

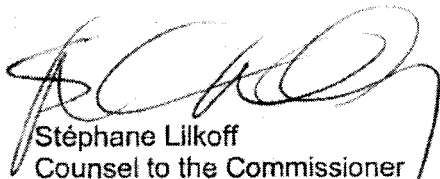

Application pursuant to s.106 of the *Competition Act*

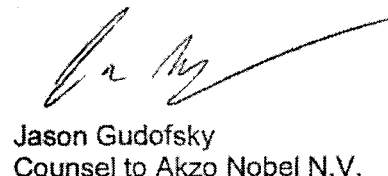

Because the Akzo – General Paint transaction is made pursuant to the Consent Agreement filed on December 14, 2007 and because the Etobicoke production facility has been excluded from the sale, Akzo and the Commissioner present a joint application to the Tribunal pursuant to s.106 of the *Competition Act* to have the Consent Agreement varied. The only amendment sought is to remove subparagraph 1(w)(vi) from the Consent Agreement which makes reference to the Etobicoke production facility as an asset that would otherwise have to be part of the Akzo – General Paint transaction.

Akzo and the Commissioner further request that the Tribunal allows the filing of the document titled "*Amendment to Consent Agreement in Relation to the Acquisition by Akzo Nobel N.V. of Imperial Chemical Industries PLC*" dated June 27, 2008, and which confirms the requested amendment of the Consent Agreement filed on December 14, 2007.

A draft order is attached as Annex "C".

Yours very truly,

Stéphane Lilkoff
Counsel to the Commissioner

Jason Gudofsky
Counsel to Akzo Nobel N.V.

Akzo Nobel N.V.

Respondent

CONSENT AGREEMENT IN RELATION TO THE ACQUISITION BY AKZO NOBEL
N.V. OF IMPERIAL CHEMICAL INDUSTRIES PLC

12172904.1

PUBLIC

WHEREAS Akzo Nobel N.V. ("Akzo Nobel") has entered into an agreement to acquire all of the issued and outstanding shares of Imperial Chemical Industries PLC ("ICI"), pursuant to the Implementation Agreement, dated August 13, 2007, between Akzo Nobel and ICI (hereinafter referred to as the "Transaction");

AND WHEREAS the Commissioner of Competition (the "Commissioner") has concluded that the Transaction is likely to result in a substantial lessening and/or prevention of competition in the wholesale (upstream) supply of Decorative Coatings, as hereinafter defined, in Quebec;

AND WHEREAS Akzo Nobel accepts for the purpose of this Consent Agreement (the "Agreement") and any related applications to the Competition Tribunal or the courts in respect of the Transaction, that the Transaction is likely to result in a substantial lessening and/or prevention of competition in the wholesale (upstream) supply of Decorative Coatings in Quebec;

AND WHEREAS the Commissioner is satisfied that the implementation of this Agreement will be sufficient to ensure that any likely substantial lessening and/or prevention of competition would not result from the completion of the Transaction and therefore grounds do not exist to apply to the Competition Tribunal (the "Tribunal") under section 92 of the *Competition Act* in respect of the Transaction;

AND WHEREAS Akzo Nobel consensually attorns to the jurisdiction of the Tribunal for purposes of this Agreement and any proceeding initiated by the Commissioner relating to this Agreement;

AND WHEREAS the Commissioner and Akzo Nobel agree to the filing of this Agreement with the Tribunal by the Commissioner for registration;

AND WHEREAS nothing in this Agreement is intended to prevent or delay Akzo Nobel from, following the Closing Date (as herein defined), selling to Henkel KGaA (or other purchaser) all assets and liabilities comprising the Adhesives division and Electronics Materials division of ICI, both of which form part of ICI's National Starch business, including such business carried out in Canada by Nacan Products Limited/Produits Nacan Ltée, as well as any subsequent sale of any remaining assets and liabilities of the National Starch Business;

- (d) The Divestiture Trustee's obligations and powers under this Agreement shall not expire until the Divestiture is completed.

[53] The Divestiture Trustee shall have the sole authority to determine and to impose all reasonable and ordinary commercial representations and warranties for the purpose of effecting the Divestiture. [58] Akzo Nobel shall indemnify the Divestiture Trustee and hold the Divestiture Trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Divestiture Trustee's duties, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defence of any claim, whether or not resulting in any liability, except to the extent that such liabilities, losses, damages, claims, or expenses result from malfeasance, gross negligence or bad faith by the Divestiture Trustee.

[59] If the Divestiture Trustee ceases to act or fails to act diligently or otherwise in accordance with this Agreement or any agreement between the Commissioner and the Divestiture Trustee, the Commissioner may appoint a substitute Divestiture Trustee in the same manner as provided for in this Part for appointment of the initial Divestiture Trustee.

[60] The Divestiture Trustee shall have no obligation or authority to operate or maintain the assets to be divested by the Divestiture Trustee.

[61] The Divestiture Trustee shall report in writing to the Commissioner every thirty (30) days, and upon the Commissioner's request within three (3) days, concerning the Divestiture Trustee's efforts to accomplish the Divestiture. [63] Once the Commissioner has notified the Divestiture Trustee that she has approved a proposed Divestiture, the Divestiture Trustee shall forthwith notify Akzo Nobel, in writing, of such proposed Divestiture. Such notice shall include:

- (a) the identity of the proposed Purchaser; and
- (b) the details of the proposed transaction.

[64] Within ten (10) days of the receipt of the notice described in paragraph 62, the Commissioner may request additional information concerning the proposed Divestiture.

[65] The Commissioner shall notify the Divestiture Trustee within five (5) days of the receipt of all of the required additional information requested, as referred to in the immediately preceding paragraph, of the approval of, or objection to, the proposed Divestiture.

[66] If the Commissioner does not require additional information as a result of the notification of the Divestiture Trustee referred to in paragraph 62, the Commissioner shall notify the Divestiture Trustee within twenty (20) days of the acceptance of, or objection to, the proposed Divestiture.

[67] As the Divestiture Trustee's primary obligation is to divest the Divestiture Assets to a Person approved by the Commissioner, Akzo Nobel may not object to, or challenge, the Divestiture Trustee Sale on any grounds other than malfeasance, gross negligence or bad faith on the part of the Divestiture Trustee in fulfilling its obligations hereunder. [70] Akzo Nobel will submit to the Tribunal's jurisdiction to grant such relief required to effect the Divestiture.

[71] Nothing in this Agreement shall in any way preclude the Tribunal from hearing any submission it considers appropriate from the Commissioner or Akzo Nobel.

IX. BEHAVIOURAL COMMITMENT

[72] Akzo Nobel shall, for a period of five (5) years from the Closing Date, terminate all existing and cease offering discounts, promotions, rebates or similar programs to retailer customers in the Province of Quebec that are based on either exclusivity or the number of Akzo Nobel Decorative Coatings brands they purchase. Thus, Akzo Nobel shall not require, as a condition of supplying a specific brand to a customer, that the customer deal only with Akzo or acquire other brands from Akzo in the Province of Quebec. For greater certainty, nothing in this Agreement shall prevent or limit Akzo Nobel's right or ability to offer its retailer customers in the Province of Quebec (or elsewhere) other discounts, promotions, rebates or similar programs, including those based on volume of purchases. To the extent of any inconsistency between this paragraph and any other provision of this Agreement, this paragraph shall prevail.
