Direction from the Chairperson of the Tribunal

Further to the letter of February 22, 2007, from counsel for the applicant in which he asked that the confidential version of the affidavit of Ms. Carol Wheatley be accepted confidentially and not posted on the Internet pending the issuance of a confidentiality order relating to that document, the Chair directs the applicant to prepare a draft confidentiality order and a letter setting out the reasons for the confidentiality request pursuant to Tribunal Rule 64. The letter should indicate whether the respondents consent to the proposed confidentiality order. Until this is done, the confidential version cannot be filed.
