Dear Sir:

**RE: Broadview Pharmacy v. Wyeth Canada  
Competition Tribunal File No. CT-2004-005**

This letter responds to the correspondence from Wyeth Canada's counsel of July 16, 2004, in which Wyeth Canada seeks an oral hearing before the Tribunal Member with respect to the leave application in this matter.

Of course, the determination of whether to hold an oral hearing at the leave stage is wholly within the discretion of the Tribunal. However, our client is concerned that coordinating such a hearing might extend unduly the timeframe for a decision on the leave issue, while supply restrictions continue to have a very deleterious impact on its business.

Sincerely yours

Mark Adilman
