

Registry Doc. No.: 829

**Date:** December 29, 2022

**Matter:** CT-2022-002 – *Commissioner of Competition v Rogers Communications Inc. and Shaw Communications Inc.*

**Direction to Counsel, including counsel for Bell (from Justice Little, Chairperson)**

**Re: Letters dated December 22, 23 and 24, 2022, from counsel for Bell and counsel for Rogers**

The Tribunal advises the following information received from the Registry:

- A version of Rogers’s compendium was posted to the Tribunal website at approximately 12:35 PM on December 13, 2022. Access to it on the website ended at approximately 9:39 AM on December 14, 2022.
- The document received 71 “clicks” and 10 “downloads” on December 13, 2022.
- The document received 41 “clicks” and 3 “downloads” on December 14, 2022.
- Lists of the IP addresses for these “clicks” and “downloads” have been generated.

Affected parties are invited to share with the Tribunal their positions with the respect to whether, and under what conditions (if any), such IP addresses may be disclosed, and any Tribunal or court process(es) that may be required.
