Tribunal de la concurrence

Registry Document No.: 240

**Date:** September 16, 2022

**Matter:** CT-2022-002 – *Commissioner of Competition v Rogers Communications Inc. and Shaw Communications Inc.*

**Direction to Counsel (from Justice Little, Chairperson)**

**Re:** Follow-up re Case Management Conference (“CMC”)

Further to the discussion at the CMC on September 15, 2022:

In order to accommodate the orderly filing of redacted public versions of the documents that are scheduled to be exchanged on Friday, September 23, 2022, the Parties and Interveners may concurrently file the confidential and public versions of their documents with the Registry up to and including Tuesday, September 27, 2022.

Parties and Interveners are strongly encouraged to start to file the confidential and public versions of their documents promptly after they are served on September 23, when both versions are ready, and not to wait to file all documents on September 27. The Registry’s e-filing system will receive documents during the weekend of September 24-25 and in the evenings, as usual.

Service of confidential versions is not affected by this Direction and shall occur in accordance with the Scheduling Order no later than September 23, 2022.

Confidential (courtesy) versions of documents filed without public versions are not required nor requested on September 23, 2022, as was proposed at the CMC.

The Tribunal does not expect such an extension of the date for filing confidential and public versions of the documents that are due on October 20, 2022.
