**b)** elle fait partie d'une série d'opérations dont, en l'absence du présent article, découlerait, directement ou indirectement, un avantage fiscal.

**(3) Section 245 of the Act is amended by adding the following after subsection (4):**

**(3) L'article 245 de la même loi est modifié par adjonction, après le paragraphe (4), de ce qui suit :**

**Economic substance — effect**

**(4.1)** If an avoidance transaction — or a series of transactions that includes the avoidance transaction — is significantly lacking in economic substance, this is an important consideration that tends to indicate that the transaction results in a misuse under paragraph (4)(a) or an abuse under paragraph (4)(b).

**Economic substance — meaning**

**(4.2)** Factors that establish that a transaction or series of transactions is significantly lacking in economic substance may include, but are not limited to, any of the following:

**(a)** all or substantially all of the opportunity for gain or profit and risk of loss of the taxpayer — taken together with those of all non-arm's length taxpayers (other than those non-arm's length taxpayers who can reasonably be considered, having regard to the circumstances viewed as a whole, to have economic interests that are largely adverse from those of the taxpayer) — remains unchanged, including because of

**(ii)** offsetting financial positions,

**(iii)** the timing between steps in a series, or

**(iv)** the use of an accommodation party;

**(b)** it is reasonable to conclude that, at the time the transaction or series was entered into, the expected value of the tax benefit exceeded the expected non-tax economic return (which excludes both the tax benefit and any tax advantages connected to another jurisdiction); and

**(c)** it is reasonable to conclude that the entire, or almost entire, purpose for undertaking or arranging the transaction or series was to obtain the tax benefit.

**(4) Section 245 of the Act is amended by adding the following after subsection (5):**

**Penalty**

**(5.1)** If subsection (2) applies to determine the tax consequences to a person for a taxation year in respect of a transaction that was not disclosed by the person to the Minister in accordance with section 237.3 or 237.4, the person is liable to a penalty for the taxation year equal to the amount determined by the formula

**(A + B) × 25% – C**

**Substance économique — effet**

**(4.1)** Si une opération d'évitement — ou une série d'opérations comprenant l'opération d'évitement — manque considérablement de substance économique, il s'agit d'un facteur important qui tend à indiquer que l'opération constitue un abus en vertu des alinéas (4)a) ou b).

**Substance économique — sens**

**(4.2)** Les facteurs qui établissent qu'une opération ou une série d'opérations manque considérablement de substance économique peuvent comprendre, notamment, l'un des éléments suivants :

**a)** la totalité, ou la presque totalité des possibilités pour le contribuable de réaliser des gains ou des bénéfices et de subir des pertes, conjointement avec celles des contribuables ayant un lien de dépendance (sauf ceux qu'il est raisonnable de considérer, compte tenu des circonstances prises dans leur ensemble, comme ayant des intérêts économiques largement opposés à ceux du contribuable), reste inchangée, notamment en raison des éléments suivants :

**(i)** les flux circulaires de fonds,

**(ii)** la compensation des situations financières,

**(iii)** le délai entre les étapes d'une série,

**(iv)** le recours à une partie accommodante;

**b)** il est raisonnable de conclure que, au moment où l'opération ou la série était conclue, la valeur de l'avantage fiscal escomptée dépassait le rendement économique non fiscal escompté, lequel exclut aussi bien l'avantage fiscal que tout avantage fiscal se rattachant à une autre juridiction;

**c)** il est raisonnable de conclure que la totalité, ou la presque totalité, des objets d'entreprendre ou d'organiser l'opération ou la série était d'obtenir l'avantage fiscal.

**(4) L'article 245 de la même loi est modifié par adjonction, après le paragraphe (5), de ce qui suit :**

**Pénalité**

**Alternative basis or argument**

**(5)** The Minister may advance an alternative basis or argument in support of an assessment of a person, or in support of all or any portion of the total amount determined on assessment to be payable by a person under this Act, at any time after the period otherwise limited by subsection (1) for making the assessment unless, on an appeal under this Act,

**Exception — autre période**

**(4)** Si le ministre constate, lors de l'établissement d'une cotisation, qu'une personne a payé, au titre de tout objet, un montant pour une année civile donnée qui était à payer pour une autre année civile, il peut établir à tout moment une cotisation pour l'autre année civile relativement à cet objet.

**Nouveau fondement ou nouvel argument**

**(5)** Le ministre peut mettre de l'avant un nouveau fondement ou un nouvel argument à l'appui d'une cotisation établie à l'égard d'une personne, ou à l'appui de tout ou partie du montant total déterminé lors de l'établissement d'une cotisation comme étant payable par une personne en application de la présente loi, à tout moment après l'expiration de la période prévue au paragraphe (1) pour l'établissement de la cotisation, sauf si, sur appel interjeté en application de la présente loi :

**Restriction — nouveau fondement ou nouvel argument**

**(6)** Si une nouvelle cotisation est établie à l'égard d'une personne pour tenir compte d'un nouveau fondement ou d'un nouvel argument mis de l'avant par le ministre en vertu du paragraphe (5) à l'appui d'une cotisation donnée établie à l'égard de la personne, le ministre ne peut établir la nouvelle cotisation pour un montant supérieur au montant total de la cotisation donnée.

**Exception — nouveau fondement ou nouvel argument**

**(7)** Le paragraphe (6) ne s'applique à aucune partie d'un montant déterminé lors de l'établissement d'une nouvelle cotisation à l'égard duquel le ministre pourrait établir une nouvelle cotisation en application de la présente loi à tout moment après l'expiration de la période prévue au paragraphe (1) pour l'établissement de la nouvelle cotisation, s'il n'était pas tenu compte du paragraphe (5).

mesures mentionnées au paragraphe (1) avant que la cour ne statue sur la question.

**Mesures postérieures à un jugement**

**(5)** Malgré les autres dispositions du présent article, lorsqu'une personne signifie, conformément à la présente loi, un avis d'opposition à une cotisation ou interjette appel à l'égard d'une cotisation auprès de la Cour canadienne de l'impôt et qu'elle convient par écrit avec le ministre de retarder la procédure d'opposition ou d'appel jusqu'à ce que la Cour canadienne de l'impôt, la Cour d'appel fédérale ou la Cour suprême du Canada rende jugement dans une autre action qui soulève la même question, ou essentiellement la même, que celle soulevée dans l'opposition ou l'appel, le ministre peut prendre les mesures visées au paragraphe (1) pour recouvrer tout ou partie du montant de la cotisation établie de la façon envisagée par le jugement rendu dans cette autre action, à tout moment après qu'il a avisé la personne par écrit que le tribunal a rendu jugement dans l'autre action.

**Recouvrement de sommes importantes**

**(6)** Malgré les paragraphes (1) à (5), le ministre peut recouvrer jusqu'à 50 % du total des sommes visées par les cotisations établies à l'égard d'une personne en application de la présente loi si la partie impayée du total de ces sommes dépasse 1 000 000 $.

**Garanties**

**111 (1)** Le ministre peut, s'il le juge opportun, accepter des garanties dont le montant et la forme lui sont acceptables pour le paiement d'un montant qui est ou pourrait devenir payable en vertu de la présente loi.

**Remise d'une garantie**

**(2)** Sur demande écrite de la personne qui a donné une garantie, ou au nom de laquelle une garantie a été donnée, le ministre doit remettre tout ou partie de la garantie dans la mesure où la valeur de celle-ci dépasse, au moment où il reçoit la demande, la somme objet de la garantie.

**Garantie supplémentaire**

**(3)** Le ministre détermine la suffisance de la garantie fournie par une personne en application du paragraphe (1) ou en son nom, et il peut exiger qu'une garantie supplémentaire soit donnée ou maintenue de temps à autre par la personne ou en son nom lorsqu'il détermine que la garantie donnée ou maintenue ne suffit plus.

### Certificates

**112 (1)** Any amount payable by a person (in this section referred to as the "debtor") under this Act that has not been paid as and when required under this Act may be certified by the Minister as an amount payable by the debtor.

### Registration in court

**(2)** On production to the Federal Court, a certificate made under subsection (1) in respect of a debtor is to be registered in the Court and, when so registered, has the same effect, and all proceedings may be taken on the certificate as if it were a judgment obtained in the Court against the debtor for a debt in the amount certified plus interest on the amount as provided under this Act to the day of payment and, for the purposes of those proceedings, the certificate is deemed to be a judgment of the Court against the debtor for a debt due to His Majesty in right of Canada and enforceable as such.

### Costs

**(3)** All reasonable costs and charges incurred or paid for the registration in the Federal Court of a certificate made under subsection (1), or in respect of any proceedings taken to collect the amount certified, are recoverable in the same manner as if they had been included in the amount certified in the certificate when it was registered.

### Charge on property

**(4)** A document issued by the Federal Court that is evidence of a registered certificate in respect of a debtor, a writ of that Court issued in accordance with the certificate or any notification of the document or writ (which document, writ or notification is in this section referred to as a "memorial") may be filed, registered or otherwise recorded for the purpose of creating a charge, lien or priority on, or a binding interest in, property in a province, or any interest in, or for civil law any right in, such property, held by the debtor, in the same manner as a document that is evidence of

**(a)** a judgment of the superior court of the province against a person for a debt owing by the person, or

**(b)** an amount payable or required to be remitted by a person in the province in respect of a debt owing to His Majesty in right of the province

may be filed, registered or otherwise recorded in accordance with the law of the province to create a charge, lien or priority on, or a binding interest in, the property or interest.

### Certificat

**112 (1)** Toute somme exigible d'une personne (appelée « débiteur » au présent article) en vertu de la présente loi qui n'a pas été payée selon les modalités et dans le délai prévus en application de la présente loi peut, par certificat du ministre, être déclarée exigible du débiteur.

### Enregistrement à la Cour fédérale

**(2)** Sur production à la Cour fédérale, le certificat fait en vertu du paragraphe (1) à l'égard d'un débiteur est enregistré à cette cour. Il a alors le même effet que s'il s'agissait d'un jugement rendu par cette cour contre le débiteur pour une dette de la somme attestée dans le certificat, augmentée des intérêts courus comme le prévoit la présente loi jusqu'au jour du paiement, et toutes les procédures peuvent être engagées à la faveur du certificat comme s'il s'agissait d'un tel jugement. Pour ce qui est de ces procédures, le certificat est réputé être un jugement exécutoire de la cour contre le débiteur pour une créance de Sa Majesté du chef du Canada.

### Frais et dépens

**(3)** Les frais et dépens raisonnables engagés ou payés pour l'enregistrement à la Cour fédérale d'un certificat, ou pour l'exécution des procédures de recouvrement de la somme qui y est attestée sont recouvrables de la même manière que s'ils avaient été inclus dans cette somme au moment de l'enregistrement du certificat.

### Charge sur un bien

**(4)** Tout document délivré par la Cour fédérale et faisant preuve du contenu d'un certificat enregistré à l'égard d'un débiteur, tout bref de cette cour délivré au titre du certificat ou toute notification du document ou du bref (le document, le bref ou la notification étant appelé « extrait » au présent article) peut être produit, enregistré ou autrement inscrit en vue de grever d'une sûreté, d'une priorité ou d'une autre charge sur un bien du débiteur situé dans une province, ou un intérêt ou, pour l'application du droit civil, un droit sur un tel bien, de la même manière que peut l'être, au titre ou en application du droit provincial, un document faisant preuve :

**a)** soit du contenu d'un jugement rendu par la cour supérieure de la province contre une personne pour une dette de celle-ci;

**b)** soit d'une somme à payer ou à remettre par une personne dans la province au titre d'une créance de Sa Majesté du chef de la province.

**Creation of charge**

**(5)** If a memorial has been filed, registered or otherwise recorded under subsection (4),

**(a)** a charge, lien or priority is created on, or a binding interest is created in, property in the province, or any interest in, or for civil law any right in, such property, held by the debtor, or

**(b)** such property, or interest or right in the property, is otherwise bound,

in the same manner and to the same extent as if the memorial were a document that is evidence of a judgment referred to in paragraph (4)(a) or an amount referred to in paragraph (4)(b), and the charge, lien, priority or binding interest created is subordinate to any charge, lien, priority or binding interest in respect of which all steps necessary to make it effective against other creditors were taken before the day on which the memorial was filed, registered or otherwise recorded.

**Charge sur un bien**

**(5)** Une fois l'extrait produit, enregistré ou autrement inscrit en application du paragraphe (4), une sûreté, une priorité ou une autre charge grève un bien du débiteur situé dans la province, ou un intérêt ou, pour l'application du droit civil, un droit sur un tel bien, de la même manière et dans la même mesure que si l'extrait était un document faisant preuve du contenu d'un jugement visé à l'alinéa (4)a) ou d'une somme visée à l'alinéa (4)b). Cette sûreté, priorité ou charge prend rang après toute autre sûreté, priorité ou charge à l'égard de laquelle les mesures requises pour la rendre opposable aux autres créanciers ont été prises avant la production, l'enregistrement ou toute autre inscription de l'extrait.

**Proceedings in respect of memorial**

**(6)** If a memorial is filed, registered or otherwise recorded in a province under subsection (4), proceedings may be taken in the province in respect of the memorial, including proceedings

**(a)** to enforce payment of the amount evidenced by the memorial, interest on the amount and all costs and charges paid or incurred in respect of

**(i)** the filing, registration or other recording of the memorial, and

**(ii)** proceedings taken to collect the amount,

**(b)** to renew or otherwise prolong the effectiveness of the filing, registration or other recording of the memorial,

**(c)** to cancel or withdraw the memorial wholly or in respect of any of the property, or interests or rights, affected by the memorial, or

**(d)** to postpone the effectiveness of the filing, registration or other recording of the memorial in favour of any right, charge, lien or priority that has been or is intended to be filed, registered or otherwise recorded in respect of any property, or interest or rights, affected by the memorial,

in the same manner and to the same extent as if the memorial were a document that is evidence of a judgment referred to in paragraph (4)(a) or an amount referred to in paragraph (4)(b). However, if in any such proceeding or as a condition precedent to any such

**Procédure engagée à la faveur d'un extrait**

**(6)** L'extrait produit, enregistré ou autrement inscrit dans une province en vertu du paragraphe (4) peut, de la même manière et dans la même mesure que s'il s'agissait d'un document faisant preuve du contenu d'un jugement visé à l'alinéa (4)a) ou d'une somme visée à l'alinéa (4)b), faire l'objet dans la province de procédures visant notamment les mesures suivantes :

**a)** exiger le paiement de la somme attestée par l'extrait, des intérêts y afférents et des frais et dépens payés ou engagés en vue de la production, de l'enregistrement ou autre inscription de l'extrait ou en vue de l'exécution des procédures de recouvrement de la somme;

**b)** renouveler ou autrement prolonger l'effet de la production, de l'enregistrement ou autre inscription de l'extrait;

**c)** annuler ou retirer l'extrait dans son ensemble ou uniquement en ce qui concerne un ou plusieurs biens ou intérêts ou droits sur lesquels l'extrait a une incidence;

**d)** différer l'effet de la production, de l'enregistrement ou autre inscription de l'extrait en faveur d'un droit, d'une sûreté, d'une priorité ou d'une autre charge qui a été ou qui sera produit, enregistré ou autrement inscrit à l'égard d'un bien ou d'un intérêt ou d'un droit sur lequel l'extrait a une incidence.

Toutefois, dans le cas où la loi provinciale exige — soit dans le cadre de ces procédures, soit préalablement à leur exécution — l'obtention d'une ordonnance, d'une

proceeding, any order, consent or ruling is required under the law of the province to be made or given by the superior court of the province or by a judge or official of the court, a similar order, consent or ruling may be made or given by the Federal Court or by a judge or official of the Federal Court and, when so made or given, has the same effect for the purposes of the proceeding as if it were made or given by the superior court of the province or by a judge or official of the court.

**Presentation of documents**

**(7)** If

**(a)** a memorial is presented for filing, registration or other recording under subsection (4), or a document relating to the memorial is presented for filing, registration or other recording for the purpose of any proceeding referred to in subsection (6), to any official in the land registry system, personal property or movable property registry system, or other registry system, of a province, or

**(b)** access is sought to any person, place or thing in a province to make the filing, registration or other recording,

the memorial or document must be accepted for filing, registration or other recording or the access must be granted, as the case may be, in the same manner and to the same extent as if the memorial or document relating to the memorial were a document that is evidence of a judgment referred to in paragraph (4)(a) or an amount referred to in paragraph (4)(b) for the purpose of a similar proceeding. However, if the memorial or document is issued by the Federal Court or signed or certified by a judge or official of the Court, any affidavit, declaration or other evidence required under the law of the province to be provided with or to accompany the memorial or document in the proceedings is deemed to have been provided with or to have accompanied the memorial or document as so required.

**Prohibition — sale, etc., without consent**

**(8)** Despite any other law of Canada or law of a province, a sheriff or other person must not, without the written consent of the Minister, sell or otherwise dispose of any property or publish any notice or otherwise advertise in respect of any sale or other disposition of any property as a result of any process issued or charge, lien, priority or binding interest created in any proceeding to collect an amount certified in a certificate made under subsection (1), interest on the amount or costs. However, if that consent is subsequently given, any property that would have been affected by that process, charge, lien, priority or binding interest if the Minister's consent had been given at the time the process was issued or the charge, lien,

décision ou d'un consentement de la cour supérieure de la province ou d'un juge ou d'un fonctionnaire de celle-ci, la Cour fédérale ou un juge ou un fonctionnaire de celle-ci peut rendre une telle ordonnance ou décision ou donner un tel consentement. Cette ordonnance, cette décision ou ce consentement a alors le même effet dans le cadre des procédures que s'il était rendu ou donné par la cour supérieure de la province ou par un juge ou un fonctionnaire de celle-ci.

**Présentation des documents**

**(7)** L'extrait qui est présenté pour production, enregistrement ou autre inscription en vertu du paragraphe (4), ou un document concernant l'extrait qui est présenté pour production, enregistrement ou autre inscription dans le cadre des procédures mentionnées au paragraphe (6), à un agent d'un régime d'enregistrement foncier ou des droits sur des biens meubles ou personnels ou autres droits d'une province est accepté pour production, enregistrement ou autre inscription de la même manière et dans la même mesure que s'il s'agissait d'un document faisant preuve du contenu d'un jugement visé à l'alinéa (4)a) ou d'une somme visée à l'alinéa (4)b) dans le cadre de procédures semblables. Pour ce qui est de la production, de l'enregistrement ou autre inscription de cet extrait ou ce document, l'accès à une personne, à un endroit ou à une chose situé dans une province est donné de la même manière et dans la même mesure que si l'extrait ou le document était un document semblable ainsi délivré ou établi. Si l'extrait ou le document est délivré par la Cour fédérale ou porte la signature ou fait l'objet d'un certificat d'un juge ou d'un fonctionnaire de cette cour, tout affidavit, toute déclaration ou tout autre élément de preuve qui doit, selon la loi provinciale, être fourni avec l'extrait ou le document ou l'accompagner dans le cadre des procédures est réputé avoir été ainsi fourni ou accompagner ainsi l'extrait ou le document.

**Interdiction — vente sans consentement**

**(8)** Malgré les autres lois fédérales et les lois provinciales, ni le shérif ni aucune autre personne ne peut, sans le consentement écrit du ministre, vendre un bien ou autrement en disposer ou publier un avis concernant la vente ou la disposition d'un bien ou autrement l'annoncer, par suite de l'émission d'un bref ou de la création d'une sûreté, d'une priorité ou d'une autre charge dans le cadre de procédures de recouvrement d'une somme attestée dans un certificat fait en application du paragraphe (1), des intérêts y afférents et des dépens et frais. Toutefois, si ce consentement est obtenu ultérieurement, tout bien sur lequel un tel bref ou une telle sûreté, priorité ou charge aurait une incidence si ce consentement

priority or binding interest was created, as the case may be, is to be bound, seized, attached, charged or otherwise affected as it would have been if that consent had been given at the time that process was issued or the charge, lien, priority or binding interest was created, as the case may be.

avait été obtenu au moment de l'émission du bref ou de la création de la sûreté, priorité ou charge, selon le cas, est saisi ou autrement grevé comme si le consentement avait été obtenu à ce moment.

**Completion of notices, etc.**

**(9)** If information required to be set out by any sheriff or other person in a minute, notice or document required to be completed for any purpose cannot, because of subsection (8), be so set out without the written consent of the Minister, the sheriff or other person must complete the minute, notice or document to the extent possible without that information and, when that consent of the Minister is given, a further minute, notice or document setting out all the information must be completed for the same purpose, and the sheriff or other person, having complied with this subsection, is deemed to have complied with the Act, regulation or rule requiring the information to be set out in the minute, notice or document.

**Établissement des avis**

**(9)** Dans le cas où des renseignements qu'un shérif ou une autre personne doit indiquer dans un procès-verbal, un avis ou un document à établir à une fin quelconque ne peuvent, en raison du paragraphe (8), être ainsi indiqués sans le consentement écrit du ministre, le shérif ou l'autre personne doit établir le procès-verbal, l'avis ou le document en omettant les renseignements en question. Une fois le consentement du ministre obtenu, un autre procès-verbal, avis ou document indiquant tous les renseignements doit être établi à la même fin. S'il se conforme au présent paragraphe, le shérif ou l'autre personne est réputé se conformer à la loi, à la disposition réglementaire ou à la règle qui exige que les renseignements soient indiqués dans le procès-verbal, l'avis ou le document.

**Application for order**

**(10)** A sheriff or other person who is unable, because of subsection (8) or (9), to comply with any law or rule of court is bound by any order made by a judge of the Federal Court, on an *ex parte* application by the Minister, for the purpose of giving effect to the proceeding, charge, lien, priority or binding interest.

**Demande d'ordonnance**

**(10)** S'il ne peut se conformer à une loi ou à une règle de pratique en raison des paragraphes (8) ou (9), le shérif ou l'autre personne est lié par toute ordonnance rendue, sur requête *ex parte* du ministre, par un juge de la Cour fédérale visant à donner effet à des procédures ou à une sûreté, une priorité ou une autre charge.

**Deemed security**

**(11)** If a charge, lien, priority or binding interest created under subsection (5) by filing, registering or otherwise recording a memorial under subsection (4) is registered in accordance with subsection 87(1) of the *Bankruptcy and Insolvency Act*, it is deemed

**(a)** to be a claim that is secured by a security and that, subject to subsection 87(2) of that Act, ranks as a secured claim under that Act; and

**(b)** to also be a claim referred to in paragraph 86(2)(a) of that Act.

**Présomption de garantie**

**(11)** La sûreté, la priorité ou l'autre charge créée selon le paragraphe (5) par la production, l'enregistrement ou autre inscription d'un extrait en application du paragraphe (4) qui est enregistrée en conformité avec le paragraphe 87(1) de la *Loi sur la faillite et l'insolvabilité* est réputée, à la fois :

**a)** être une réclamation garantie et, sous réserve du paragraphe 87(2) de cette loi, prendre rang comme réclamation garantie aux termes de cette loi;

**b)** être une réclamation visée à l'alinéa 86(2)a) de cette loi.

**Details in certificates and memorials**

**Contenu des certificats et extraits**

**(12)** Malgré les lois fédérales et provinciales, dans le certificat fait à l'égard d'un débiteur, dans l'extrait faisant preuve du contenu d'un tel certificat ou encore dans le bref ou document délivré en vue du recouvrement de la perception d'un montant attesté dans un tel certificat, il suffit, à toutes fins utiles :

**(a)** to set out, as the amount payable by the debtor, the total of amounts payable by the debtor without setting out the separate amounts making up that total; and

**(b)** to refer to the rate of interest to be charged on the separate amounts making up the amount payable in general terms as interest at the rate prescribed by regulation applicable from time to time on amounts payable to the Receiver General for Canada, without indicating the specific rates of interest to be charged on each of the separate amounts or to be charged for any period.

**a)** d'une part, d'indiquer, comme montant payable par le débiteur, le total des montants payables par celui-ci et non les montants distincts qui forment ce total;

**b)** d'autre part, d'indiquer de façon générale le taux d'intérêt applicable aux montants distincts qui forment le montant payable au receveur général du Canada comme étant des intérêts calculés au taux prévu par la réglementation applicable sur les montants payables au receveur général, sans détailler les taux d'intérêt applicables à chaque montant distinct ou pour toute période.

#### Statement to be included

**(3)** Sous réserve du paragraphe (6), l'ordonnance d'injonction a effet — ou peut être prorogée à la demande du commissaire ou de la personne autorisée en vertu de l'article 103.1 — pour la période que le tribunal estime suffisante pour répondre aux besoins en l'occurrence.

#### Préavis

**(4)** Sous réserve du paragraphe (5), le commissaire ou la personne autorisée en vertu de l'article 103.1, ou la personne agissant pour son compte, donne un préavis d'au moins quarante-huit heures à la personne à l'égard de laquelle est demandée l'ordonnance d'injonction prévue au paragraphe (1) ou la prorogation visée au paragraphe (3).

#### *Ex parte* application

**(5)** The court may proceed *ex parte* with an application made by the Commissioner under subsection (1) if it is satisfied that subsection (4) cannot reasonably be complied with or that the urgency of the situation is such that service of the notice in accordance with subsection (4) might defeat the purpose of the injunction or would otherwise not be in the public interest.

#### Duration of *ex parte* injunction

**(6)** An injunction issued *ex parte* as the result of an application made by the Commissioner under subsection (1) has effect for the period that is specified in it, not exceeding seven days unless, on further application made by the Commissioner on notice as provided in subsection (4), the court extends the injunction for any additional period that it considers sufficient.

**Injonction provisoire**

**33 (1)** Le tribunal peut par ordonnance, sur demande présentée par le procureur général du Canada ou le procureur général d'une province ou pour leur compte, prononcer une injonction provisoire interdisant à toute personne nommément désignée dans la demande de faire quoi que ce soit qui, d'après lui, pourrait constituer une infraction visée à la partie VI — à l'exception d'une infraction à l'article 52 comportant l'utilisation d'un moyen de télécommunication ou d'une infraction aux articles 52.01, 52.1 ou 53 — ou à l'article 66, ou tendre à la perpétration d'une telle infraction, en attendant que les procédures prévues au paragraphe 34(2) ou des poursuites soient engagées ou achevées contre la personne en question, s'il constate que, à la fois :

**a)** la personne a accompli, est sur le point d'accomplir ou accomplira vraisemblablement un acte constituant l'infraction, ou tendant à sa perpétration;

**b)** si l'infraction est commise ou se poursuit :

**(b)** if the offence is committed or continued, serious harm is likely to ensue unless the injunction is issued; and

**(1.2)** Le tribunal peut par ordonnance, sur demande présentée par le procureur général du Canada ou le procureur général d'une province ou pour leur compte, prononcer une injonction enjoignant à toute personne nommément désignée dans la demande de s'abstenir de fournir à une autre personne un produit qui, d'après lui, est ou sera vraisemblablement utilisé pour la perpétration ou la continuation d'une infraction à l'article 52 comportant l'utilisation d'un moyen de télécommunication ou d'une infraction aux articles 52.01, 52.1 ou 53, ou lui enjoignant d'accomplir tout acte qu'il estime susceptible d'empêcher la perpétration ou la continuation d'une telle infraction, s'il constate que, à la fois :

**a)** une personne a accompli, est sur le point d'accomplir ou accomplira vraisemblablement un acte constituant l'infraction, ou tendant à sa perpétration;

**b)** si l'infraction est commise ou se poursuit, un dommage grave sera vraisemblablement causé en l'absence de l'ordonnance;

**c)** après l'évaluation comparative des inconvénients, il est préférable de rendre l'ordonnance.

**Préavis**

**(2)** Sous réserve du paragraphe (3), un préavis d'au moins quarante-huit heures de la présentation de la demande d'injonction prévue à l'un des paragraphes (1) à (1.2) doit être donné, par ou pour le procureur général du Canada ou le procureur général d'une province, selon le cas, à chaque personne contre laquelle est demandée cette injonction.

### *Ex parte* application

**(3)** If a court to which an application is made under subsection (1), (1.1) or (1.2) is satisfied that subsection (2) cannot reasonably be complied with, or that the urgency of the situation is such that service of notice in accordance with subsection (2) would not be in the public interest, it may proceed with the application *ex parte* but any injunction issued under subsection (1), (1.1) or (1.2) by the court on *ex parte* application has effect only for the period, not exceeding 10 days, that is specified in the order.

### Terms of injunction

**(4)** An injunction issued under subsection (1), (1.1) or (1.2)

**(a)** shall be in the terms that the court that issues it considers necessary and sufficient to meet the circumstances of the case; and

### Extension or cancellation of injunction

**(5)** On application by or on behalf of the Attorney General of Canada or the attorney general of a province, as the case may be, or by or on behalf of any person to whom the injunction is directed, on at least 48 hours' notice of the application to all other parties to the injunction, a court that issues an injunction under subsection (1), (1.1) or (1.2) may, by order,

**(a)** despite subsections (3) and (4), continue the injunction, with or without modification, for any definite period that is specified in the order; or

**(b)** revoke the injunction.

### Duty of applicant

**(6)** If an injunction is issued under subsection (1), (1.1) or (1.2), the Attorney General of Canada or the attorney general of a province, as the case may be, shall proceed as expeditiously as possible to institute and conclude any prosecution or proceedings arising out of the acts or things on the basis of which the injunction was issued.

### Punishment for disobedience

**(7)** A court may punish any person who contravenes an injunction issued by it under subsection (1), (1.1) or (1.2) by a fine in the discretion of the court or by imprisonment for a term not exceeding two years.

### Demande *ex parte*

**(3)** Si le tribunal saisi de la demande prévue à l'un des paragraphes (1) à (1.2) est convaincu qu'on ne peut raisonnablement se conformer au paragraphe (2) ou que l'urgence de la situation est telle que la signification du préavis visé au paragraphe (2) serait contraire à l'intérêt public, il peut donner suite à la demande *ex parte*, mais l'injonction qu'il prononce en vertu de l'un des paragraphes (1) à (1.2) sur demande *ex parte* n'a effet que pour la période — d'au plus dix jours — que spécifie l'ordonnance.

### Libellé de l'injonction

**(4)** L'injonction prononcée en vertu de l'un des paragraphes (1) à (1.2) doit :

**a)** être libellée de la manière que le tribunal estime nécessaire et suffisante pour répondre aux besoins en l'occurrence;

**b)** sous réserve du paragraphe (3), avoir effet pendant la période que spécifie l'ordonnance.

### Prolongation ou annulation de l'injonction

**(5)** Sur demande, présentée par le procureur général du Canada ou le procureur général d'une province ou pour leur compte ou par toute personne que vise une injonction prononcée en vertu de l'un des paragraphes (1) à (1.2) ou pour son compte, et sur préavis d'au moins quarante-huit heures donné à toutes les autres parties à l'injonction, le tribunal qui prononce l'injonction peut, par ordonnance :

**a)** malgré les paragraphes (3) et (4), proroger l'injonction, avec ou sans modification, pendant le délai ferme que spécifie l'ordonnance;

**b)** révoquer l'injonction.

### Obligation du requérant

**(6)** Lorsqu'une injonction est prononcée en vertu de l'un des paragraphes (1) à (1.2), le procureur général du Canada ou le procureur général d'une province, selon le cas, doit, avec toute la diligence possible, intenter et mener à terme toute poursuite ou toutes procédures résultant des actes qui ont motivé l'injonction.

### Peine pour transgression

**(7)** Le tribunal peut infliger l'amende qu'il estime indiquée ou un emprisonnement maximal de deux ans à quiconque contrevient à l'injonction qu'il a prononcée en vertu de l'un des paragraphes (1) à (1.2).

**(b)** to take any steps agreed to by that person and the Attorney General of Canada or the attorney general of the province.

**Duration of order**

**Défense**

**b)** l'accord ou l'arrangement plus large ou distinct, considéré individuellement, ne contrevient pas au même paragraphe.

**Défense**

**(a)** is entered into only by parties each of which is, in respect of every one of the others, an affiliate;

**(b)** is between federal financial institutions and is described in subsection 49(1); or

**(c)** is an *arrangement*, as defined in section 53.7 of the *Canada Transportation Act*, that has been authorized by the Minister of Transport under subsection 53.73(8) of that Act and for which the authorization has not been revoked, if the conspiracy, agreement or arrangement is directly related to, and reasonably necessary for giving effect to, the objective of the arrangement.

**Exception**

**(6)** Le paragraphe (1) ne s'applique pas au complot, à l'accord ou à l'arrangement :

**a)** intervenu exclusivement entre des parties qui sont chacune des affiliées de toutes les autres;

**a)** ou bien des indications fausses ou trompeuses sur un point important;

**b)** ou bien, sous la forme d'une déclaration ou d'une garantie visant le rendement, l'efficacité ou la durée utile d'un produit, des indications qui ne se fondent pas sur une épreuve suffisante et appropriée, dont la preuve incombe à la personne qui donne les indications;

**(i)** a warranty or guarantee of a product, or

**(ii)** a promise to replace, maintain or repair an article or any part thereof or to repeat or continue a service until it has achieved a specified result,

**(ii)** soit d'une promesse de remplacer, entretenir ou réparer tout ou partie d'un article ou de fournir de nouveau ou continuer à fournir un service jusqu'à l'obtention du résultat spécifié,

si cette forme de prétendue garantie ou promesse est trompeuse d'une façon importante ou s'il n'y a aucun espoir raisonnable qu'elle sera respectée.

**Drip pricing**

**(1.1)** For greater certainty, the making of a representation of a price that is not attainable due to fixed obligatory charges or fees constitutes a false or misleading representation, unless the obligatory charges or fees represent only an amount imposed by or under an Act of Parliament or the legislature of a province.

**Indication de prix partiel**

**(1.1)** Il est entendu que l'indication d'un prix qui n'est pas atteignable en raison de frais obligatoires fixes qui s'y ajoutent constitue une indication fausse ou trompeuse, sauf si les frais obligatoires ne représentent que le montant imposé sous le régime d'une loi fédérale ou provinciale.

**Ordinary price: suppliers generally**

**(2)** Subject to subsection (3), a person engages in reviewable conduct who, for the purpose of promoting, directly or indirectly, the supply or use of a product or for the purpose of promoting, directly or indirectly, any business interest, by any means whatever, makes a representation to the public concerning the price at which a product or like products have been, are or will be ordinarily supplied where suppliers generally in the relevant geographic market, having regard to the nature of the product,

**(a)** have not sold a substantial volume of the product at that price or a higher price within a reasonable period of time before or after the making of the representation, as the case may be; and

**(b)** have not offered the product at that price or a higher price in good faith for a substantial period of time recently before or immediately after the making of the representation, as the case may be.

**Prix habituel : fournisseurs en général**

**(2)** Sous réserve du paragraphe (3), est susceptible d'examen le comportement de quiconque donne, de quelque manière que ce soit, aux fins de promouvoir directement ou indirectement soit la fourniture ou l'usage d'un produit, soit des intérêts commerciaux quelconques, des indications au public relativement au prix auquel un ou des produits similaires ont été, sont ou seront habituellement fournis, si, compte tenu de la nature du produit, l'ensemble des fournisseurs du marché géographique pertinent n'ont pas, à la fois :

**a)** vendu une quantité importante du produit à ce prix ou à un prix plus élevé pendant une période raisonnable antérieure ou postérieure à la communication des indications;

**b)** offert de bonne foi le produit à ce prix ou à un prix plus élevé pendant une période importante précédant de peu ou suivant de peu la communication des indications.

**References to time in subsections (2) and (3)**

**(4)** For greater certainty, whether the period of time to be considered in paragraphs (2)(a) and (b) and (3)(a) and (b) is before or after the making of the representation depends on whether the representation relates to

**(a)** the price at which products have been or are supplied; or

**(b)** the price at which products will be supplied.

**Périodes visées aux paragraphes (2) et (3)**

**(4)** Il est entendu que la période à prendre en compte pour l'application des alinéas (2)a) et b) et (3)a) et b) est antérieure ou postérieure à la communication des indications selon que les indications sont liées au prix auquel les produits ont été ou sont fournis ou au prix auquel ils seront fournis.

**(d)** the product is in ample supply, and

**(e)** the refusal to deal is having or is likely to have an adverse effect on competition in a market,

the Tribunal may order that one or more suppliers of the product in the market accept the person as a customer within a specified time on usual trade terms unless, within the specified time, in the case of an article, any customs duties on the article are removed, reduced or remitted and the effect of the removal, reduction or remission is to place the person on an equal footing with other persons who are able to obtain adequate supplies of the article in Canada.

#### When article is a separate product

**Cas où il ne peut être rendu d'ordonnance**

**(9)** L'ordonnance prévue au paragraphe (2) à l'égard du comportement visé au sous-alinéa (1)a)(ii) ne peut être rendue si le Tribunal est convaincu que la personne ou catégorie de personnes visée au sous-alinéa avait l'habitude, quant aux produits fournis par la personne visée au paragraphe (3) :

**b)** de les vendre sans profit afin d'attirer les clients dans l'espoir de leur vendre d'autres produits;

**Exclusive dealing and tied selling**

**(2)** Where, on application by the Commissioner or a person granted leave under section 103.1, the Tribunal finds that exclusive dealing or tied selling, because it is engaged in by a major supplier of a product in a market or because it is widespread in a market, is likely to

**(b)** impede introduction of a product into or expansion of sales of a product in a market, or

**(c)** have any other exclusionary effect in a market,

**Exclusivité ou ventes liées**

**(2)** Lorsque le Tribunal, à la suite d'une demande du commissaire ou d'une personne autorisée en vertu de l'article 103.1, conclut que l'exclusivité ou les ventes liées, parce que pratiquées par un fournisseur important d'un produit sur un marché ou très répandues sur un marché, auront vraisemblablement :

**a)** soit pour effet de faire obstacle à l'entrée ou au développement d'une firme sur un marché;

**b)** soit pour effet de faire obstacle au lancement d'un produit sur un marché ou à l'expansion des ventes d'un produit sur un marché;

**c)** soit sur un marché quelque autre effet tendant à exclure,

**Market restriction**

**(3)** Where, on application by the Commissioner or a person granted leave under section 103.1, the Tribunal finds that market restriction, because it is engaged in by a major supplier of a product or because it is widespread in relation to a product, is likely to substantially lessen competition in relation to the product, the Tribunal may make an order directed to all or any of the suppliers against whom an order is sought prohibiting them from continuing to engage in market restriction and containing any other requirement that, in its opinion, is necessary to restore or stimulate competition in relation to the product.

**Limitation du marché**

**(3)** Lorsque le Tribunal, à la suite d'une demande du commissaire ou d'une personne autorisée en vertu de l'article 103.1, conclut que la limitation du marché, en étant pratiquée par un important fournisseur d'un produit ou très répandue à l'égard d'un produit, réduira vraisemblablement et sensiblement la concurrence à l'égard de ce produit, le Tribunal peut, par ordonnance, interdire à l'ensemble ou à l'un quelconque des fournisseurs contre lesquels une ordonnance est demandée de se livrer désormais à la limitation du marché et prescrire toute autre mesure nécessaire, à son avis, pour rétablir ou favoriser la concurrence à l'égard de ce produit.

**(c)** tied selling that is engaged in by a person in the business of lending money is for the purpose of better securing loans made by that person and is reasonably necessary for that purpose,

No order made under this section applies in respect of exclusive dealing, market restriction or tied selling between or among entities that are affiliated.

**Cas où il ne doit pas être rendu d'ordonnance; restriction quant à l'application de l'ordonnance**

**(4)** Le Tribunal ne rend pas l'ordonnance prévue par le présent article, lorsque, à son avis :

**a)** l'exclusivité ou la limitation du marché est ou sera pratiquée uniquement pendant une période raisonnable pour faciliter l'entrée sur un marché soit d'un nouveau fournisseur d'un produit soit d'un nouveau produit;

**b)** les ventes liées qui sont pratiquées sont raisonnables compte tenu de la connexité technologique existant entre les produits qu'elles visent;

**c)** les ventes liées que pratique une personne exploitant une entreprise de prêt d'argent ont pour objet de mieux garantir le remboursement des prêts qu'elle consent et sont raisonnablement nécessaires à cette fin,

Aucune ordonnance rendue en vertu du présent article ne s'applique en ce qui concerne l'exclusivité, la limitation du marché ou les ventes liées entre des entités qui sont affiliées.

**If entity affiliated**

**(5)** For the purposes of subsection (4), in addition to the circumstances specified in paragraph 2(2)(a) or (b) under

#### Inferences

**(7)** In considering an application by a person granted leave under section 103.1, the Tribunal may not draw any inference from the fact that the Commissioner has or has not taken any action in respect of the matter raised by the application.

#### Application

### Prohibition if abuse of dominant position

**79 (1)** On application by the Commissioner or a person granted leave under section 103.1, if the Tribunal finds that one or more persons substantially or completely control a class or species of business throughout Canada or any area of Canada, it may make an order prohibiting the person or persons from engaging in a practice or conduct if it finds that the person or persons have engaged in or are engaging in

**(a)** a practice of anti-competitive acts; or

**(b)** conduct

**(i)** that had, is having or is likely to have the effect of preventing or lessening competition substantially in a market in which the person or persons have a plausible competitive interest, and

### Additional or alternative order

**(2)** If, on an application under subsection (1), the Tribunal finds that a practice of anti-competitive acts amounts to conduct that has had or is having the effect of preventing or lessening competition substantially in a market in which the person or persons have a plausible competitive interest and that an order under subsection (1) is not likely to restore competition in that market, the Tribunal may, in addition to or in lieu of making an order under subsection (1), make an order directing any or all persons against whom an order is sought to take actions, including the divestiture of assets or shares, that are reasonable and necessary to overcome the effects of the practice in that market.

**(2)** Dans les cas où, à la suite de la demande visée au paragraphe (1), il conclut qu'une pratique d'agissements anti-concurrentiels constitue un comportement qui a eu ou a pour effet d'empêcher ou de diminuer sensiblement la concurrence dans un marché dans lequel la personne a un intérêt concurrentiel valable et qu'une ordonnance rendue aux termes du paragraphe (1) n'aura vraisemblablement pas pour effet de rétablir la concurrence dans ce marché, le Tribunal peut, en sus ou au lieu de rendre l'ordonnance prévue au paragraphe (1), rendre une ordonnance enjoignant à l'une ou l'autre ou à l'ensemble des personnes visées par la demande d'ordonnance de prendre des mesures raisonnables et nécessaires dans le but d'enrayer les effets de la pratique sur le marché en question et, notamment, de se départir d'éléments d'actif ou d'actions.

### Limitation

**(3)** In making an order under subsection (2), the Tribunal shall make the order in such terms as will in its opinion interfere with the rights of any person to whom the order is directed or any other person affected by it only to the extent necessary to achieve the purpose of the order.

### Restriction

**(3)** Lorsque le Tribunal rend une ordonnance en application du paragraphe (2), il le fait aux conditions qui, à son avis, ne porteront atteinte aux droits de la personne visée par cette ordonnance ou à ceux des autres personnes touchées par cette ordonnance que dans la mesure de ce qui est nécessaire à la réalisation de l'objet de l'ordonnance.

**f)** tout autre élément pertinent.

**But de la sanction**

**(3.3)** La sanction prévue au paragraphe (3.1) vise à encourager la personne visée par l'ordonnance à adopter des pratiques compatibles avec les objectifs du présent article et non pas à la punir.

**Facteurs à considérer**

**(4)** Pour l'application des paragraphes (1) et (2), lorsqu'il décide de la question de savoir si un comportement a eu, a ou aura vraisemblablement pour effet d'empêcher ou de diminuer sensiblement la concurrence dans un marché, le Tribunal peut tenir compte des facteurs suivants :

**a)** les entraves à l'accès au marché, y compris les effets de réseau;

**(c)** the nature and extent of change and innovation in a relevant market; and

**(d)** any other factor that is relevant to competition in the market that is or would be affected by the conduct.

**c)** la nature et la portée des changements et des innovations dans tout marché pertinent;

**d)** tout autre facteur qui est relatif à la concurrence dans le marché et qui est ou serait touché par le comportement.

### Prix à la livraison

**81 (1)** Dans les cas où, à la suite d'une demande du commissaire, le Tribunal conclut que le prix à la livraison est appliqué par un fournisseur important d'un article dans un marché ou qu'il est très répandu dans un marché avec la conséquence qu'un client, ou une personne désirant devenir un client, se voit refuser un avantage qui lui serait autrement accessible dans ce marché, il peut rendre une ordonnance interdisant à l'ensemble ou à l'un quelconque de ces fournisseurs d'appliquer le prix à la livraison.

### Exception where significant capital investment needed

**c)** dans un cas visé à l'alinéa a) ou b), interdit à cette personne ou à cette personne morale de prendre au Canada des mesures d'application de la règle de droit, de la directive, de l'instruction, de l'énoncé de politique ou de l'autre communication;

## Foreign Suppliers

**Refusal to supply by foreign supplier**

**84** Where, on application by the Commissioner, the Tribunal finds that a supplier outside Canada has refused to supply a product or otherwise discriminated in the supply of a product to a person in Canada (the "first" person) at the instance of and by reason of the exertion of buying power outside Canada by another person, the Tribunal may order any person in Canada (the "second" person) by whom or on whose behalf or for whose benefit the buying power was exerted

de la directive, de l'instruction, de l'énoncé de politique ou de l'autre communication, sauf selon ce que le Tribunal prescrit pour que soit évitée l'une quelconque des conséquences visées aux sous-alinéas 82b)(i) à (iv).

**Restriction**

**(2)** Le commissaire ne peut demander que soit rendue, en vertu du présent article, une ordonnance contre une personne morale déterminée lorsque des procédures ont été entamées en vertu de l'article 46 contre cette personne morale et que ces procédures sont fondées sur les mêmes faits ou en substance les mêmes faits que ceux qui seraient exposés dans la demande.

L.R. (1985), ch. 19 (2$^{e}$ suppl.), art. 45; 1999, ch. 2, art. 37.

## Fournisseurs étrangers

**Refus par un fournisseur étranger**

**84** Si le Tribunal, à la suite d'une demande du commissaire, conclut qu'un fournisseur se trouvant à l'extérieur du Canada établit, à l'égard de la fourniture d'un produit à une personne se trouvant au Canada (la « première » personne), une distinction à l'encontre de cette personne notamment en refusant de lui fournir un produit, à cause de l'exercice par une autre personne d'un pouvoir d'achat à l'extérieur du Canada et à la demande de cette autre personne, il peut ordonner à toute personne se trouvant au Canada (la « seconde » personne) par qui, au nom de qui ou au profit de qui ce pouvoir d'achat a été exercé :

**a)** de vendre à la première personne tout semblable produit du fournisseur que la seconde personne se procure ou s'est procuré, au coût de ce produit pour la seconde personne à l'arrivée du produit au Canada de même qu'aux modalités et conditions que la seconde personne obtient ou a obtenu du fournisseur;

**b)** de ne pas faire ou de cesser de faire, au Canada, le commerce de ce produit du fournisseur.

L.R. (1985), ch. 19 (2$^{e}$ suppl.), art. 45; 1999, ch. 2, art. 37.

## Accords de spécialisation

**Définitions**

**85** Les définitions qui suivent s'appliquent au présent article et aux articles 86 à 90.

***accord de spécialisation*** Accord en vertu duquel chacune des parties s'engage à abandonner la production d'un article ou d'un service qu'elle fabrique ou produit au moment de la conclusion de l'accord à la condition que chacune des autres parties à l'accord s'engage à abandonner la production d'un article ou d'un service qu'elle

***specialization agreement*** means an agreement under which each party thereto agrees to discontinue producing an article or service that he is engaged in producing at the time the agreement is entered into on the condition that each other party to the agreement agrees to discontinue producing an article or service that he is engaged in producing at the time the agreement is entered into, and includes any such agreement under which the parties also agree to buy exclusively from each other the articles or services that are the subject of the agreement. (*accord de spécialisation*)

R.S., 1985, c. 19 (2nd Supp.), s. 45.

***article*** S'entend également de toute variété de catégorie, de dimension, de poids ou de qualité, dans laquelle est produit un article au sens de l'article 2. (*article*)

***inscrit*** Inscrit au registre tenu en application de l'article 89. (*registered*)

L.R. (1985), ch. 19 (2e suppl.), art. 45.

**Order directing registration**

**86 (1)** Where, on application by any person, and after affording the Commissioner a reasonable opportunity to be heard, the Tribunal finds that an agreement that the person who has made the application has entered into or is about to enter into is a specialization agreement and that

**(a)** the implementation of the agreement is likely to bring about gains in efficiency that will be greater than, and will offset, the effects of any prevention or lessening of competition that will result or is likely to result from the agreement and the gains in efficiency would not likely be attained if the agreement were not implemented, and

**(b)** no attempt has been made by the persons who have entered or are about to enter into the agreement to coerce any person to become a party to the agreement,

the Tribunal may, subject to subsection (4), make an order directing that the agreement be registered for a period specified in the order.

**Ordonnance portant inscription au registre**

**86 (1)** Dans les cas où, sur demande de toute personne et après avoir donné au commissaire une chance raisonnable de se faire entendre, le Tribunal conclut que cette personne a conclu ou se propose de conclure un accord de spécialisation et que :

**a)** d'une part, la mise en œuvre de l'accord entraînera vraisemblablement des gains en efficience qui surpasseront et neutraliseront les effets de tout empêchement ou de toute diminution de la concurrence qui résulteront ou résulteront vraisemblablement de l'accord et que ces gains en efficience ne seraient vraisemblablement pas réalisés si l'accord n'était pas mis en œuvre;

**b)** d'autre part, les personnes qui ont conclu ou qui sont sur le point de conclure l'accord n'ont pas essayé de forcer quiconque à devenir partie à l'accord,

il peut, sous réserve du paragraphe (4), ordonner que l'accord soit inscrit pour la période fixée par l'ordonnance.

**Factors to be considered**

**(2)** In considering whether an agreement is likely to bring about gains in efficiency described in paragraph (1)(a), the Tribunal shall consider whether those gains will result in

**(a)** a significant increase in the real value of exports; or

**(b)** a significant substitution of domestic articles or services for imported articles or services.

**Éléments à considérer**

**(2)** Le Tribunal, pour apprécier si un accord entraînera vraisemblablement les gains en efficience visés à l'alinéa (1)a), doit estimer si ces gains entraîneront :

**a)** soit une augmentation relativement importante de la valeur réelle des exportations;

**b)** soit la substitution, pour une part relativement importante, d'articles et de services canadiens à des articles et services importés.

**Redistribution of income does not result in gains in efficiency**

**(3)** For the purposes of paragraph (1)(a), the Tribunal shall not find that an agreement is likely to bring about

**Efficience et redistribution du revenu**

**(3)** Pour l'application de l'alinéa (1)a), le Tribunal ne conclut pas qu'un accord entraînera vraisemblablement

gains in efficiency by reason only of a redistribution of income between two or more persons.

**Conditional orders**

**(4)** Where, on an application under subsection (1), the Tribunal finds that an agreement meets the conditions prescribed by paragraphs (a) and (b) of that subsection but also finds that, as a result of the implementation of the agreement, there is not likely to be substantial competition remaining in the market or markets to which the agreement relates, the Tribunal may provide, in an order made under subsection (1), that the order shall take effect only if, within a reasonable period of time specified in the order, there has occurred any of the following events, specified in the order:

**(a)** the divestiture of particular assets, specified in the order;

**(b)** a wider licensing of patents, certificates of supplementary protection issued under the *Patent Act* or registered integrated circuit topographies;

**(c)** a reduction in tariffs;

**(d)** the making of an order in council under section 23 of the *Financial Administration Act* effecting a remission or remissions specified in the order of the Tribunal of any customs duties on an article that is a subject of the agreement; or

**(e)** the removal of import quotas or import licensing requirements.

R.S., 1985, c. 19 (2nd Supp.), s. 45; 1990, c. 37, s. 32; 1999, c. 2, s. 37; 2017, c. 6, s. 125.

**Registration of modifications**

**87 (1)** On application by the parties to a specialization agreement that has been registered, and after affording the Commissioner a reasonable opportunity to be heard, the Tribunal may make an order directing that a modification of the agreement be registered.

**Order to remove from register**

**(2)** Where, on application by the Commissioner, the Tribunal finds that the agreement or a modification thereof that has been registered

**(a)** has ceased to meet the conditions prescribed by paragraph 86(1)(a) or (b), or

**(b)** is not being implemented,

des gains en efficience en raison seulement d'une redistribution du revenu entre deux ou plus de deux personnes.

**Autorisation conditionnelle**

**(4)** Lorsque le Tribunal, saisi d'une demande en vertu du paragraphe (1), conclut que, même si un accord satisfait aux conditions prévues aux alinéas a) et b) de ce paragraphe, l'exécution de cet accord aura vraisemblablement pour effet de laisser le ou les marchés concernés par l'accord sans concurrence sensible, il peut, dans une ordonnance visée au paragraphe (1), prévoir que l'ordonnance ne prendra effet que si, dans un délai raisonnable fixé par l'ordonnance, l'une quelconque des conditions suivantes que mentionne l'ordonnance a été réalisée :

**a)** l'exécution de l'obligation de se départir d'éléments d'actif mentionnés dans l'ordonnance;

**b)** une augmentation du nombre des licences d'exploitation d'un brevet, d'un certificat de protection supplémentaire délivré en vertu de la *Loi sur les brevets* ou des topographies de circuits intégrés enregistrées;

**c)** une réduction des tarifs;

**d)** la prise, en vertu de l'article 23 de la *Loi sur la gestion des finances publiques*, d'un décret prévoyant une ou plusieurs remises, visées dans l'ordonnance du Tribunal, de droits de douane imposés à l'égard d'un article soumis à l'accord;

**e)** la suppression de contingentements en matière d'importation ou d'exigences en matière de licences d'importation.

L.R. (1985), ch. 19 (2e suppl.), art. 45; 1990, ch. 37, art. 32; 1999, ch. 2, art. 37; 2017, ch. 6, art. 125.

**Inscription des modifications**

**87 (1)** Le Tribunal peut, par ordonnance, ordonner qu'une modification d'un accord de spécialisation inscrit soit elle-même inscrite lorsque les parties à l'accord en font la demande et après avoir, dans la mesure de ce qui est raisonnable, donné au commissaire la possibilité de se faire entendre.

**Radiation**

**(2)** Le Tribunal peut, par ordonnance, exiger la radiation du registre d'un accord de spécialisation qui y a été inscrit, d'une modification de celui-ci elle-même inscrite ainsi que de toute ordonnance se rapportant à cet accord ou à cette modification, lorsque, sur demande du commissaire, il conclut que l'accord ou la modification en question :

the Tribunal may make an order directing that the agreement or modification thereof, and any order relating thereto, be removed from the register.

R.S., 1985, c. 19 (2nd Supp.), s. 45; 1999, c. 2, s. 37.

**(2)** The register shall be accessible to the public.

R.S., 1985, c. 19 (2nd Supp.), s. 45; 2014, c. 20, s. 389.

**90** Section 45, section 77 as it applies to exclusive dealing, and section 90.1 do not apply in respect of a specialization agreement, or any modification of such an agreement, that is registered.

R.S., 1985, c. 19 (2nd Supp.), s. 45; 2009, c. 2, s. 429.

## Agreements or Arrangements that Prevent or Lessen Competition Substantially

### Order

**90.1 (1)** If, on application by the Commissioner, the Tribunal finds that an agreement or arrangement — whether existing or proposed — between persons two or more of whom are competitors prevents or lessens, or is likely to prevent or lessen, competition substantially in a market, the Tribunal may make an order

**(a)** prohibiting any person — whether or not a party to the agreement or arrangement — from doing anything under the agreement or arrangement; or

**(b)** requiring any person — whether or not a party to the agreement or arrangement — with the consent of that person and the Commissioner, to take any other action.

**a)** ne respecte plus les conditions prévues à l'alinéa 86(1)a) ou b);

**b)** n'est pas exécuté.

L.R. (1985), ch. 19 (2e suppl.), art. 45; 1999, ch. 2, art. 37.

L.R. (1985), ch. 19 (2e suppl.), art. 45.

### Registre des accords de spécialisation

### Registre public

**(2)** Le registre est accessible au public.

L.R. (1985), ch. 19 (2e suppl.), art. 45; 2014, ch. 20, art. 389.

### Non-application des articles 45, 77 et 90.1

**90** Ni l'article 45, ni l'article 77, dans la mesure où il porte sur l'exclusivité, ni l'article 90.1 ne s'appliquent aux accords de spécialisation ou à leurs modifications lorsque ceux-ci sont inscrits.

L.R. (1985), ch. 19 (2e suppl.), art. 45; 2009, ch. 2, art. 429.

## Accords ou arrangements empêchant ou diminuant sensiblement la concurrence

### Ordonnance

**90.1 (1)** Dans le cas où, à la suite d'une demande du commissaire, il conclut qu'un accord ou un arrangement — conclu ou proposé — entre des personnes dont au moins deux sont des concurrents empêche ou diminue sensiblement la concurrence dans un marché, ou aura vraisemblablement cet effet, le Tribunal peut rendre une ordonnance :

**a)** interdisant à toute personne — qu'elle soit ou non partie à l'accord ou à l'arrangement — d'accomplir tout acte au titre de l'accord ou de l'arrangement;

**b)** enjoignant à toute personne — qu'elle soit ou non partie à l'accord ou à l'arrangement — de prendre

toute autre mesure, si le commissaire et elle y consentent.

**Factors to be considered**

**(2)** In deciding whether to make the finding referred to in subsection (1), the Tribunal may have regard to the following factors:

**(a)** the extent to which foreign products or foreign competitors provide or are likely to provide effective competition to the businesses of the parties to the agreement or arrangement;

**(b)** the extent to which acceptable substitutes for products supplied by the parties to the agreement or arrangement are or are likely to be available;

**(c)** any barriers to entry into the market, including

**(i)** tariff and non-tariff barriers to international trade,

**(ii)** interprovincial barriers to trade, and

**(iii)** regulatory control over entry;

**(d)** any effect of the agreement or arrangement on the barriers referred to in paragraph (c);

**(e)** the extent to which effective competition remains or would remain in the market;

**(f)** any removal of a vigorous and effective competitor that resulted from the agreement or arrangement, or any likelihood that the agreement or arrangement will or would result in the removal of such a competitor;

**(g)** the nature and extent of change and innovation in any relevant market;

**(g.1)** network effects within the market;

**(g.2)** whether the agreement or arrangement would contribute to the entrenchment of the market position of leading incumbents;

**(g.3)** any effect of the agreement or arrangement on price or non-price competition, including quality, choice or consumer privacy; and

**(h)** any other factor that is relevant to competition in the market that is or would be affected by the agreement or arrangement.

**Facteurs à considérer**

**(2)** Pour décider s'il arrive à la conclusion visée au paragraphe (1), le Tribunal peut tenir compte des facteurs suivants :

**a)** la mesure dans laquelle des produits ou des concurrents étrangers assurent ou assureront vraisemblablement une concurrence réelle aux entreprises des parties à l'accord ou à l'arrangement;

**b)** la mesure dans laquelle sont ou seront vraisemblablement disponibles des produits pouvant servir de substituts acceptables à ceux fournis par les parties à l'accord ou à l'arrangement;

**c)** les entraves à l'accès à ce marché, notamment :

**(i)** les barrières tarifaires et non tarifaires au commerce international,

**(ii)** les barrières interprovinciales au commerce,

**(iii)** la réglementation de cet accès;

**d)** les effets de l'accord ou de l'arrangement sur les entraves visées à l'alinéa c);

**e)** la mesure dans laquelle il y a ou il y aurait encore de la concurrence réelle dans ce marché;

**f)** le fait que l'accord ou l'arrangement a entraîné la disparition d'un concurrent dynamique et efficace ou qu'il entraînera ou pourrait entraîner une telle disparition;

**g)** la nature et la portée des changements et des innovations dans tout marché pertinent;

**g.1)** les effets de réseau dans le marché;

**g.2)** le fait que l'accord ou l'arrangement contribuerait au renforcement de la position sur le marché des principales entreprises en place;

**g.3)** tout effet de l'accord ou de l'arrangement sur la concurrence hors prix ou par les prix, notamment la qualité, le choix ou la vie privée des consommateurs;

**h)** tout autre facteur pertinent à l'égard de la concurrence dans le marché qui est ou serait touché par l'accord ou l'arrangement.

**Evidence**

**(3)** For the purpose of subsections (1) and (2), the Tribunal shall not make the finding solely on the basis of evidence of concentration or market share.

**Exception where gains in efficiency**

**(4)** The Tribunal shall not make an order under subsection (1) if it finds that the agreement or arrangement has brought about or is likely to bring about gains in efficiency that will be greater than, and will offset, the effects of any prevention or lessening of competition that will result or is likely to result from the agreement or arrangement, and that the gains in efficiency would not have been attained if the order had been made or would not likely be attained if the order were made.

**Restriction**

**(5)** For the purposes of subsection (4), the Tribunal shall not find that the agreement or arrangement has brought about or is likely to bring about gains in efficiency by reason only of a redistribution of income between two or more persons.

**Factors to be considered**

**(6)** In deciding whether the agreement or arrangement is likely to bring about the gains in efficiency described in subsection (4), the Tribunal shall consider whether such gains will result in

**(a)** a significant increase in the real value of exports; or

**(b)** a significant substitution of domestic products for imported products.

**Exception**

**(7)** Subsection (1) does not apply if the agreement or arrangement is entered into, or would be entered into, only by parties each of which is, in respect of every one of the others, an affiliate.

**Exception**

**(8)** Subsection (1) does not apply if the agreement or arrangement relates only to the export of products from Canada, unless the agreement or arrangement

**(a)** has resulted in or is likely to result in a reduction or limitation of the real value of exports of a product;

**(b)** has restricted or is likely to restrict any person from entering into or expanding the business of exporting products from Canada; or

**Preuve**

**(3)** Pour l'application des paragraphes (1) et (2), le Tribunal ne peut fonder sa conclusion uniquement sur des constatations relatives à la concentration ou à la part de marché.

**Exception dans les cas de gains en efficience**

**(4)** Le Tribunal ne rend pas l'ordonnance prévue au paragraphe (1) dans les cas où il conclut que l'accord ou l'arrangement a eu pour effet ou aura vraisemblablement pour effet d'entraîner des gains en efficience, que ces gains surpasseront et neutraliseront les effets de l'empêchement ou de la diminution de la concurrence qui résulteront ou résulteront vraisemblablement de l'accord ou de l'arrangement et que ces gains n'auraient pas été réalisés si l'ordonnance avait été rendue ou ne le seraient vraisemblablement pas si l'ordonnance était rendue.

**Restriction**

**(5)** Pour l'application du paragraphe (4), le Tribunal ne peut fonder uniquement sur une redistribution de revenu entre plusieurs personnes sa conclusion que l'accord ou l'arrangement a eu pour effet ou aura vraisemblablement pour effet d'entraîner des gains en efficience.

**Facteurs pris en considération**

**(6)** Pour décider si l'accord ou l'arrangement aura vraisemblablement pour effet d'entraîner les gains en efficience visés au paragraphe (4), le Tribunal examine si ces gains se traduiront, selon le cas :

**a)** par une augmentation relativement importante de la valeur réelle des exportations;

**b)** par une substitution relativement importante de produits nationaux à des produits étrangers.

**Exception**

**(7)** Le paragraphe (1) ne s'applique pas à l'accord ou à l'arrangement qui est intervenu ou interviendrait exclusivement entre des parties qui sont chacune des affiliées de toutes les autres.

**Exception**

**(8)** Le paragraphe (1) ne s'applique pas à l'accord ou à l'arrangement qui se rattache exclusivement à l'exportation de produits du Canada, sauf dans les cas suivants :

**a)** il a eu pour résultat ou aura vraisemblablement pour résultat une réduction ou une limitation de la valeur réelle des exportations d'un produit;

**b)** il a restreint ou restreindra vraisemblablement les possibilités pour une personne d'entrer dans le

**(c)** has prevented or lessened or is likely to prevent or lessen competition substantially in the supply of services that facilitate the export of products from Canada.

**Exception**

**(a)** an agreement or arrangement between federal financial institutions, as defined in subsection 49(3), in respect of which the Minister of Finance has certified to the Commissioner

**(i)** the names of the parties to the agreement or arrangement, and

**(ii)** the Minister of Finance's request for or approval of the agreement or arrangement for the purposes of financial policy;

**(b)** an agreement or arrangement that constitutes a merger or proposed merger under the *Bank Act*, the *Cooperative Credit Associations Act*, the *Insurance Companies Act* or the *Trust and Loan Companies Act* in respect of which the Minister of Finance has certified to the Commissioner

**(c)** an agreement or arrangement that constitutes a merger or proposed merger approved under subsection 53.2(7) of the *Canada Transportation Act* in respect of which the Minister of Transport has certified to the Commissioner the names of the parties to the agreement or arrangement; or

**(9)** Le Tribunal ne rend pas l'ordonnance prévue au paragraphe (1) en ce qui touche :

**a)** un accord ou un arrangement intervenu entre des institutions financières fédérales, au sens du paragraphe 49(3), à l'égard duquel le ministre des Finances certifie au commissaire le nom des parties et le fait qu'il a été conclu à sa demande ou avec son autorisation pour les besoins de la politique financière;

**b)** un accord ou un arrangement constituant une fusion — réalisée ou proposée — aux termes de la *Loi sur les banques*, de la *Loi sur les associations coopératives de crédit*, de la *Loi sur les sociétés d'assurances* ou de la *Loi sur les sociétés de fiducie et de prêt*, et à l'égard duquel le ministre des Finances certifie au commissaire le nom des parties et le fait que cette fusion est dans l'intérêt public, ou qu'elle le serait compte tenu des conditions qui pourraient être imposées dans le cadre de ces lois;
