Dear Ms. Fortier:

RE: 8X Labs Inc. v. Vistar Media Inc. (CT-2025-006)

We are counsel to the respondent, Vistar Media. Please bring this letter to Justice Little's attention. We are writing with the consent of the applicant and further to the Tribunal's March 13, 2026 direction regarding the timeline for the applicant's informal motion seeking leave to file reply evidence. When the parties agreed to that timeline at the March 12, 2026 case conference, only one informal motion was contemplated. On March 23, 2026, the applicant delivered two informal motions: its informal motion for leave to file reply evidence and a second informal motion seeking leave under Rule 82 of the *Federal Court Rules* to file the affidavits of Mr. Dionne.

The parties have worked together to accommodate the additional informal motion. They have agreed to extend the respondent's deadline for a response from March 30 to April 2, 2026 at which time the respondent anticipates responding to both informal motions. The parties ask the Tribunal to vary the schedule to reflect their agreement. They remain available to discuss any questions or concerns the Tribunal may have.

Yours truly,

BENNETT JONES LLP
