Dear Registry Officer:

**Re: The Samuelson-Glushko Canadian Internet Policy and Public Interest Clinic (CIPPIC) v. Apple Canada Inc et al.
Competition Tribunal File No.: CT-2025-007**

We represent the applicant in this proceeding and are writing with the consent of counsel for the respondents and counsel for the Commissioner. Further to the Tribunal's direction dated March 6th to provide a proposed schedule for events to complete the leave application process, counsel propose the following schedule, which follows from the Tribunal's pending decision on the applicant's request to adduce additional evidence and a revised memorandum of fact and law:

Tribunal issues decision on the applicant's request to adduce additional evidence and file a revised memorandum of fact and law	Day X
Applicant files additional evidence (if permitted by the Tribunal) and a revised memorandum of fact and law	Day X+10
Respondents file motion to adduce responding evidence under Rule 119	Day X+24
Applicant files response to respondents' motion to adduce responding evidence under Rule 119	Day X+31
Respondents file responding representations, including responding evidence (if permitted by the Tribunal) Commissioner files representations (if any)	Day X+66
Applicant files reply	Day X+80

Yours truly,
SOTOS LLP
